b6  
b7C  
b7D

On 9/29/59, [redacted] who has furnished reliable information in the past, advised SA [redacted]

b6  
b7C  
b7D

A review of the NYC files reflects the following concerning these individuals:

CONRAD K. GRIEB (NY 105-32680) was born on 6/30/05 in US and as of 11/58 was residing at 142 W. 91st St., NYC, [redacted] and was then reportedly employed as a book salesman.

b6  
b7C  
b7D

According to information furnished by [redacted] on 11/25/58, GRIEB and [redacted]

Records of G-2, First Army, NYC, in 5/42 reflected that GRIEB was reported to be openly pro-Nazi, very anti-Semitic, anti-Communist, and reportedly stated at one time that HITLER was the saviour of the world.

GRIEB authored a pamphlet entitled "Justice Like Charity Begins At Home," which consists of an open letter to President TRUMAN and deals with the trial of the German war criminals and is a defense of the action of Germany during World War II.

AIRTEL

NY 105-28550

In this pamphlet GRIEB states World War II was formented by France and England and names FRANKLIN D. ROOSEVELT, WINSTON CHURCHILL, BERNARD BARUCH, HERBERT LEHMAN and others as the real war criminals.

The name of CONRAD GRIEB appeared on a list captioned "National Renaissance Party."

FREDERICK CHARLES FERDINAND WEISS (NY 100-111893) is an alien who was born on 7/31/05 at Pforzheim, Germany, resides at Weiss Farm, Middletown, NY, and owns and operates a rooming house at 156 Grand St., White Plains, NY.

WEISS, according to [REDACTED]

[REDACTED]

b7D

WEISS was reportedly connected with the National Renaissance Party headed by JAMES H. MADOLE and was reportedly financial backer of this organization. WEISS reportedly wrote much of the material appearing in the "National Renaissance Bulletin", official publication of the NRP.

WEISS interviewed by SAS of the NYO as recently as 12/58 denied membership in any organization and stated he never had any connection with the NRP.

KURT MEITIG (NY 100-16314) was born on 9/5/86 in Leipzig, Germany; became a US citizen in Bronx, NY on 1/30/31 and as of 6/56 was residing in Apartment 8, 508 2nd Ave., NYC.

AIRTEL

NY 105-28500

On 8/15/56, [redacted] advised that MERTIG, who had been active in German organizations for over 15 years, had been listed as Vice-President of NRP which was headed by JAMES H. MADOLE. The informant advised [redacted]

b7D

[redacted] stated that MERTIG was in very poor health, quite aged and approaching senility.

The preliminary report on neo-Fascist and hate groups released by the HCUA on 12/12/54 indicated that KURT MERTIG had become NYC Chairman of the NRP and his office at 317 E. 54th St., NYC, had served as NRP headquarters and indicated that from this office MERTIG had also operated as chairman of two of his own organizations, the Citizens Protective League and the German-American Republican League of Greater New York, both of which have been designated by the Attorney General of the US pursuant to Executive Order 10450.

ERNEST ELMHURST (NY 100-9654) was born in Germany in 1891 at Fallersleben, Germany, and entered the US at NYC on 11/19/22 under name of ERNEST FREDERIK CARL KLOPPFLEISCH. He was naturalized in USDC, Boston, Mass., on 4/22/29, certificate #2940861, at which time he had his name changed to ERNEST FREDERIK ELMHURST.

ELMHURST is author of "The World Hoax" in which he attempts to show the tie-up between Communism and World Jewry.

ELMHURST's last known residence is 325 E. 56th St., NYC, and in 1952 he delivered a lecture in Hanover,

AIRTEL

NY 105-28500

Germany before various youth organizations in which he advanced pro-Nazi arguments and attacked Great Britain.

C. DANIEL KURTZ was described by [redacted] in 12/58 as a "crazy self-styled leader of the Christian Front", an organization which KURTZ claimed was still in existence. The informant stated that KURTZ [redacted]

b7D

KURTZ was born on 11/10/91 and resided at 190-04 Woodhull Ave., Hollis, Queens, NY.

According to [redacted] previously mentioned, KURTZ, who was very active in the Christian Front in 1939-1940, died several months ago.

b6  
b7C

It is noted that the 9/59 issue of "The Thunderbolt", official organ of the NSRP, contains an article by MATTHEW KOEHL, National Organizer, NSRP, entitled "Open Letter to Gerald L. K. Smith on His Defense of the Red Secret Police" which is very derogatory of the FBI and Director J. EDGAR HOOVER.

In view of the nature of this article, it is felt [redacted]

In those instances where offices feel no information with respect to the activities of the captioned organization in their Divisions need be included in the investigative summary report, the Louisville Division should be so advised. With respect to the instructions that the report include background information concerning the leading figures of the captioned organization, Louisville is currently considering the following as leading figures on a national scale. The offices whose names are set forth in parenthesis after each individual should include the necessary background information regarding that individual in its letter:

ARTHUR B. COLE - LaFollette - National Chairman  
(Knoxville)

b6  
b7C

J. B. STONER - Atlanta, Georgia - Legal Counsel  
(Atlanta)

[Redacted] of the "Thunderbolt" will also be considered leading figures on a national level and background information concerning them will be prepared by the Louisville Division. In view of previous information indicating members of the captioned organization may have had some connection with the bombing of The Temple, 1589 Peachtree Road, N.W., Atlanta, Georgia, on 10/12/58, the Atlanta Office should include in its letter information as to the possible involvement of any such members in this bombing.

b6

The National States Rights Party is the successor to the United White Party. This latter organization, according to available information, was created at a meeting in Knoxville, Tennessee, in November, 1957. Accordingly, Knoxville's letter should include information regarding the formation and activities of the United White Party. Available information also indicates that the United White Party joined with States Righters at a meeting in Knoxville, Tennessee, to form the National States Rights Party. Knoxville should, therefore, include in its letter information regarding the changeover from the UWP to NSRP.

It is requested this matter be afforded prompt attention and the desired letter reach the Louisville Division without delay and in no event later than January 10, 1960.

STONER [redacted]

[redacted] STONER "intimated strongly" to this source that he was responsible for the bombings of a school and synagogue in Nashville, Tennessee, and a synagogue in Birmingham. STONER spoke knowingly of other acts of violence. STONER, having been contacted by the source [redacted]

[redacted] STONER thereafter met with this [redacted]

[redacted] STONER represented that he could, through "his boys", arrange for bombings or killings, and implied that he had arranged bombings in connection with anti-Semitic and anti-Negro activity in the past. Following the attempted bombing of a Negro church in Birmingham, Alabama, in June 1958, STONER again contacted the [redacted]

On December 8, 1958, Commissioner EUGENE CONNER, Department of Public Safety, Birmingham, Alabama furnished SAC CLARENCE KELLY a copy of a statement dated 12/8/58 by [redacted] to Commissioner CONNER and Birmingham Police Officers (Bureau refer to Birmingham airtel to Bureau 12/9/58 in the WALLACE HUGH ALLEN, ET AL matter). In the statement dated 12/8/58 [redacted] included the following:

a synagogue in Atlanta, the Clinton, Tennessee High School at Jacksonville, and Miami bombings and The Temple Beth-el, Birmingham. STONER said, according to the source, that he bore the expenses and bought the dynamite for all the bombings. STONER deplored, the source said, that so many people who believe in segregation and the White race, will sit around and do nothing. The source expressed the opinion that STONER is insane.

Birmingham, by airtel dated 2/8/60, advised that [redacted] had offered to furnish information to the FBI but that the Bureau had instructed that no contacts with [redacted] should be initiated; that any contacts initiated by [redacted] should be handled in a most circumspect manner, and that no admissions should be made to him that the FBI was interested in the case entitled, "UNSUBS; DYNAMITING OF CLINTON HIGH SCHOOL, CLINTON, TENNESSEE, 10/5/58, INFORMATION CONCERNING."

b7C

In view of the possible doubt as to the reliability of [redacted] and the fact that past intensive investigation by the Bureau or local authorities regarding the various bombings mentioned by [redacted] has failed to corroborate [redacted] information re STONER's involvement in such bombings, the information originating with [redacted] has not been included in the body of this report.

LS 105-271

DETAILS:

I. ORIGIN AND FORMATION

An article in the November 26, 1957 issue of the "Greenville Piedmont", a newspaper of general circulation, Greenville, South Carolina, reported that a new political party to be known as the United White Party (UWP) had been formed recently at a meeting in Knoxville, Tennessee. According to the article, there were many Klansmen represented at the meeting, as well as delegates from other "white groups". The article said the delegates to the meeting adopted the platform: "We the United White Party, in order to preserve the white race, believe in the following: Preservation of the white race, racial integrity, States Rights, revised foreign policy, segregation, and Christian Principles."

On November 26, 1957, LS T-1 advised he had attended the meeting in Knoxville, Tennessee on November 10, 1957, at which the UWP had been formed. LS T-1 said there were representatives from thirty-one states attending the meeting.

On December 2, 1957, LS T-2 furnished a leaflet entitled "America Salutes the Heroes of Nashville" and bearing the typed signature of "Dr. Edward R. Fields, 1617 Bardstown Road, Louisville, Kentucky." This leaflet is quoted as follows:

"White America looks with pride upon its brave and courageous sons who battle for racial purity in Nashville. You made a great show of strength and determination. We congratulate you Patriots who fought against the Communist Judges, crooked politicians and lying newspapers. Your demonstrations have encouraged the people of Little Rock and other places to stand firm and rise up against the mongrelizers. Round one of this life and death struggle is over.

"Only by police brutality in Nashville, and Federal bayonets in Little Rock are the integrationists making any headway. Integration is slowly grinding to a dead stop.

"The time has come for all White organizations to unite to form a White Political Party, to put our people on the ballot and vote the traitors out of office. Such scum as Benny West, Clement, The Nashville School Board, and Nashville Police Chief, must be run out of office, for their crimes against Whitemen.

LS 105-271

"We must take over every town and state in the South, Legally and politically, then we can meet Eisenhower's troops with forces of our own. Then we can arrest Communist Federal judges for disturbing the peace, vagrancy, loitering, etc. With the State guard and police on our side we will tell Eisenhower to go to HELL !

"Eisenhower is starting a Civil War against all the White South. Federal bayonets in the backs of our sweet innocent little children is a crime against our people, which demands justice and vengeance. United, the Whiteman has the strength of steel, the cry of our Freedom Fighting Forefathers was, 'The Redcoats are coming,' In the same Spirit of '76, our cry will be 'The Red Courts are coming.' Let this warning awaken the workers and farmers, to crush the invaders as was done by George Washington and Robert E. Lee.

"We will soon be in Nashville to help you Whitefolks form a White Democratic Nationalist Party. To find out what part you can have in this movement, or extra copies of this leaflet - Write to

DR. EDWARD R. FIELDS  
1617 Bardstown Road  
Louisville, Kentucky"

On December 11, 1957, LS T-3 furnished a copy of an announcement headed "American Nationalists Convention, Sunday November 10, 1957, Knoxville, Tennessee." The announcement stated that twelve nationalist organizations and three White Citizen Councils with delegates from twenty states, will meet to unite their forces for action in the form of a political mass movement to "save the White race, stop integration, drive traitors from political offices, release imprisoned patriots, stop Eisenhower's invasion of the South." The announcement requested that, for further information, reservations and other details, individuals should write to "DR. EDWARD R. FIELDS, 1617 Bardstown Road, Louisville, Kentucky." The announcement bore the slogan "Honor - Pride - Fight, Save the White."

On [redacted] LS T-4 advised that a meeting of the UWP, attended by approximately [redacted] was held at the [redacted]. A document LS T-4 received at the meeting reflected the UWP's address to be PO Box 2161, Knoxville, Tennessee, and the UWP's six-plank platform to be:

b6  
b7C  
b7D

LS 105-271

- 1). Preservation of the White race
- 2). Racial integrity
- 3). States Rights
- 4). Revised foreign policy
- 5). Segregation
- 6). Christian Principles.

LS T-4 also stated that a speaker at the [redacted] meeting announced the next large meeting of the organization would take place in July, 1958, probably in Knoxville, Tennessee.

b7D

[redacted] then a member of the National States Rights Party, Atlanta, [redacted] advised on May 27, 1958, that the UWP had passed out of existence and was replaced by the NSRP, whose national headquarters were to be in Indiana. [redacted] stated this change in the organization was not to be announced until July 1, 1958.

b6  
b7C

The July 1958 issue of The Thunderbolt, which on page 2 reflects this issue to be the first of this publication, and which is self-described as the "official racial nationalist organ" of the NSRP, carried an article headed "United White Party and States Rights Party Merge Forces." The article reflected that the recent announcement by Southern Democrats that they would never again bolt the Democratic Party "resulted in rank and file States Righters joining the UWP... The amalgamation of these two political parties resulted in a more effective and wider application of White Nationalist Political Philosophy." The article called for all members to unite behind the banner of the NSRP and said the leadership of the UWP is still functioning but with minor changes and reported that Mrs. PETER COWAN was the new Vice Chairman of the NSRP.

## II. ADDRESS

When interviewed on December 9, 1958, by SA's [redacted]

[redacted] advised that [redacted] had contacted her several times in the Spring of 1958 regarding the NSRP; that on one occasion [redacted]

[redacted] said that by [redacted] they would be able to claim the National headquarters of the NSRP was north of the Mason-Dixon line and no one could contend the organization was strictly a Southern effort. [redacted]

b6  
b7C

LS 105-271

The October 1958 issue of The Thunderbolt reflects the National headquarters of the NSRP to be P.O. Box 261, Jeffersonville, Indiana, and the address of the "Office of Secretary" to be P.O. Box 2161, Knoxville 1, Tennessee.

On May 6, 1959, LS T-5 advised that [REDACTED]

b7C  
b7D

On November 2, 1959, LS T-6 advised [REDACTED] had remarked on that date that mail sent to him should be addressed to P.O. Box 261, Jeffersonville, Indiana, as that is where he receives most of his mail.

On January 22, 1960, [REDACTED] Associated Press, [REDACTED] advised SA [REDACTED] that the Associated Press, [REDACTED] had received in the mail on that date an announcement regarding a meeting of the NSRP's scheduled for January 24, 1960, in Louisville, Kentucky. This announcement stated the address of the NSRP to be P.O. Box 261, Jeffersonville, Indiana.

### III. OBJECTIVES

On June 8, 1959, LS T-6 made available a copy of the "Platform of the National States' Rights Party" which the source had received from [REDACTED]. The platform reads as follows:

b6  
b7C

#### "RACIAL POLICY

- "1. We believe in the creation of a wholesome White Folk Community, with a deep spiritual consciousness of a common past and a determination to share a common future.
- "2. We favor complete separation of all non-Whites and dissatisfied racial minorities from our White Folk Community.
- "3. We demand that intermarriage between Whites and non-Whites be outlawed, in all states not already having such restrictions.
- "4. We demand that total segregation be maintained in the nation's schools, and that only members of the White Folk Community be allowed to engage in the educational and cultural activities of our White society.

LS 105-271

- "5. We believe that segregation should be restored in the nation's armed forces, to rebuild morale and fighting efficiency.
- "6. We believe it better that only members of our White Folk Community be allowed to take part in the affairs of government or serve in the courts.
- "7. We demand a policy of non-interference in the cultural affairs of other races.
- "8. We favor creation of a National Repatriation Commission, to encourage the voluntary resettlement of Negroes in their African homeland, with fullest financial and economic assistance toward that end.
- "9. We approve the removal of all alien minorities, dissatisfied with our American way of life and the republic for which we stand.
- "10. We favor the preservation of Indian national life in America, and the unlimited development of reservation facilities.
- "11. We believe that immigration should be restricted to select White individuals.
- "12. We demand the impeachment or removal from office otherwise of any public official who advocates race-mixing or mongrelization.

#### "ECONOMIC POLICY

- "1. We believe that the workers, farmers, businessmen and professional people of our nation should work together as a team placing the greater good of our White Folk Community above any individual or group interest.

The October 1958 issue of The Thunderbolt attached a copy of the "States' Rights Manifesto" adopted by the NSRP in convention August 30, 1958. The Manifesto reads as follows:

"We hereby manifest that the Supreme Court has no jurisdiction over the public schools of the Sovereign States and therefore its infamous opinion that they should be integrated is null & void.

"Whereas the 14th Amendment (upon which said decision was based) was never legally ratified by the States, and therefore does not legally exist, - therefore cannot be enforced upon the people by the tyrannical courts.

"Whereas Eisenhower has signed into law a Civil Rights Bill which in part repeals his right to use troops in Civil Rights disputes, and since only Congress has the power to make law and provide for its enforcement, it is therefore illegal for said court to make law, and for the President to try and enforce it with bayonets.

"Be it therefore resolved and made known that -

- 1) All States Righters, in accordance with Amendment two of the U. S. Constitution, That ' - the right of the people to keep and bare arms shall not be infringed.' should therefore arm themselves so that they will be able to defend their families, homes and rights from political despots who are inciting violence on our once peaceful communities.
- 2) That all citizens form Committees of Public Safety, or support the Citizens National Law Enforcement Commission, to prevent any Federal Judge, Federal Marshall, or other appointed agent from disrupting the peace of any community, or breaking any state laws, by following the communist directive to mix the races, and bring on public anarchy.

"BE IT THEREFORE RESOLVED, that the States nullify said illegal decisions, and that Committees of Public Safety, or The Citizens National Law Enforcement Commission, make citizens arrests of all those who seek to illegally overthrow the Rights of the States.

This is in accordance with the U.S. Constitution, the grounds being that these subvertors have committed high treason by 'Giving aid and comfort to the enemy,' by helping the communists mix the races, and that they are inciting riots, disturbing the peace and guilty of disorderly conduct.

"All these charges should be brought by citizens, who themselves, can make the arrests, and book said criminals in accordance with provisions in the U.S. Constitution.

**"VIGILANCE IS THE PRICE OF LIBERTY

On August 25, 1959, LS T-6 advised that the Citizens National Law Enforcement Commission is an organization created by MILLARD DEE GRUBBS and appeared to be strictly a paper organization.

MILLARD DEE GRUBBS, 1427 South 6th Street, Louisville, Kentucky, has advised Agents of the Louisville Office of the FBI that he is Chairman of the Citizens Councils of Kentucky, Inc.

The November 1958 issue of The Thunderbolt contained a copy of a press release, October 17, 1958, reportedly by EDNA COWAN, National Vice Chairman of the NSRP, claiming the NSRP "is opposed to violence of any kind. We condemn recent bombings of schools and synagogues." The release also maintained the innocence of CHESTER SPITFIN, GEORGE BRIGHT and WALLACE ALLEN, who were then held in Atlanta, Georgia, in connection with the bombing of a Jewish synagogue there on October 12, 1958. This issue also states that this press release was giving to both United Press and Associated Press but both services "refused to send it out on orders from someone higher up. In other words, the Jews can make any charge they please against our people and we are not supposed to defend ourselves."

On October 7, 1959, LS T-6 advised [REDACTED] had expressed the hope the NSRP would become the third political party in the United States.

The June 1959 issue of The Thunderbolt announced that DR. EDWARD R. FIELDS, representing the NSRP, would be among those sponsoring a "Patriotic Alliance Conference" in Chicago, Illinois on July 4, 1959. The primary purpose of the "Conference" was stated as "Preparation for the 1960 election campaign. All realize the necessity of uniting forces for the all-out political struggle ahead. Agreement will be sought on a National Committee for a National ticket supported by all American Patriotic organizations."

**IV. LEADING FIGURES**

A "special" issue of The Thunderbolt dated January, 1960, lists the following as National officers of the NSRP:

Chairman	ARTHUR COLE
Vice-Chairman	Mrs. PETER COWAN
Secretary-Treasurer	NED DUPES
Organizer	MATT KOEHL

LS 105-271

Information Director DR. EDWARD R. FIELDS  
Editor of The Thunderbolt - LLOYD MARTIN  
Legal Advisor: Attorney J. B. STONER

Background information concerning the above is set forth below:

A. ARTHUR BRUCE COLE - CHAIRMAN

On October 17, 1958, in connection with another matter, Special Agents of the FBI interviewed ARTHUR BRUCE COLE, 200 Elm Street, Lafollette, Tennessee. COLE said he was 67 years of age, a bachelor and self-employed as an insurance salesman and also superintendent and treasurer of the Woodlawn Cemetery, Lafollette, Tennessee. He stated he is National Chairman of the NSRP, P.O. Box 261, Jeffersonville, Indiana, having been elected to this position at a convention in Knoxville, Tennessee, in the Winter of 1957. He remarked that he has been a member of the National Citizens Protective Association (NCPA), St. Louis, Missouri, for the past five years or more; that three or four years ago he had formed a local chapter of the NCPA in Lafollette but that the chapter had been inactive for the past two or more years. COLE remarked he is not a member of any Klan organization.

On October 17, 1958, [redacted]

[redacted] advised SA [redacted] that he resides at [redacted] ARTHUR COLE. He said COLE is a bachelor, residing with his two sisters, and COLE is well known around Lafollette as a strong segregationist and interested in and a member of some type of segregation organization. He advised COLE has, for years, been outspoken in his feelings against Negroes but [redacted] did not believe COLE would resort to violence in furtherance of his beliefs regarding segregation.

On January 28, 1959, [redacted]

[redacted] advised SA [redacted] that he has known ARTHUR COLE for at least twenty years. He said for the past twenty to twenty-five years COLE has operated an insurance business in Lafollette, and has run the Woodlawn Cemetery. [redacted] said COLE has been outspoken against segregation but [redacted] did not feel COLE would resort to violence in furtherance of his beliefs along this line.

On September 6, 1958, LS T-7 advised that in the course of a private conversation during the course of the NSRP convention in Louisville, Kentucky, on August 31, 1958, ARTHUR COLE remarked that if the NSRP is going to support violence, he is going to resign from it.

LS 105-271

A description of ARTHUR COLE obtained during the interview with him by Agents of the FBI, on October 17, 1958, is as follows:

Race:	White
Sex:	Male
Residence:	200 Elm Street Lafollette, Tennessee
Age:	67 (1958)
Height:	5'6"
Weight:	140 lbs.

B. [REDACTED]

During interview on December 9, 1958, [REDACTED] advised SA's [REDACTED]

[REDACTED] as follows:

She said she was glad to receive the Agents and had intended to contact the FBI concerning her connection with the NSRP ever since she had read about the NSRP's connection with the bombing at Atlanta, Georgia. By way of background [REDACTED] advised that when she was about 13 years of age her parents had purchased a nice home on [REDACTED] which, at that time, was an all White neighborhood. As time passed Negroes began to move into the neighborhood and soon owned almost all property on the street. The property began to deteriorate and the Negroes became insulting and threatening toward the few Whites remaining, to a point where [REDACTED] felt it unsafe for a White girl to walk on the street after dark because of the insulting and threatening attitude of the Negroes. [REDACTED]

[REDACTED] said it was during this period she formed her opinion it was not possible for Negroes and Whites to live and associate closely without serious trouble. Approximately three years ago [REDACTED] and purchased [REDACTED]

[REDACTED] where there are no neighbors of any kind for at least a mile in any direction. She said that while still residing in [REDACTED] Kentucky, she had talked to many friends about her feelings toward integration of the races and was fairly well known as being opposed to integration of the schools and churches. She did not make any effort to become involved with any organized group until the 1954 Supreme Court decision on school integration. She

LS 105-271

was astounded by the decision and felt some definite action must be taken by people who desired to preserve the American way of life with "separate but equal" school facilities for the races. She began to write letters to the editors of local newspapers indicating her desire to make contact with some group dedicated to segregation. In this way she had made contact with MILLARD GRUBBS, head of the White Council in Louisville, Kentucky. She became very much interested in this group but never could bring herself to agree to membership or participation as the group was completely dominated by MILLARD GRUBBS. She remained in contact with the White Council and other persons who openly expressed opposition to integration without joining any organization until the Spring of 1958 when she was telephonically contacted by [redacted]

[redacted] She talked to [redacted] several times on the phone without meeting him personally and during the conversations, he discussed the NSRP maintaining it was strictly a third political party. On one occasion [redacted] invited her to go to a meeting in Knoxville, Tennessee with him to form the party. She explained she could not be very active in the party because of her responsibility to her ill mother and her husband. Regardless, [redacted] said he was going to put her name down [redacted] Shortly after this telephone conversation she was personally contacted by [redacted] at her home. He told her she had been [redacted]

b6  
b7C

[redacted] related that she continued to occasionally see [redacted] in Louisville, Kentucky, but never attended a meeting of any group connected with the NSRP until the National Convention in August 1958 in Louisville, Kentucky. She remarked that she feels The Thunderbolt is edited and prepared by [redacted] and she has no connection with the publication except to receive it through the mails. It was because of articles appearing in The Thunderbolt which caused [redacted] to become really suspicious of [redacted] motives and sincerity. She advised articles appeared in this publication, under her name, and statements were attributed to her, but said she had never written anything for the paper nor had she given [redacted] permission to use her name in connection with anything in the paper. From reading of The Thunderbolt, [redacted] said she realized that [redacted] and the NSRP were violently anti-Jewish and hated the FBI. She stated she had never hated the Jews and had always had the highest regard for the FBI. She is against the Jewish Zionist movement, feeling it to be a political and not religious group, dominated by the Communists. [redacted] is also positive, in her own mind, that the 1954 decision of the U. S. Supreme Court was the result of Communist-control of the Court. She is also certain that the United States Senate and House of Representatives are controlled by certain Communist front groups.

b6  
b7C

LS 105-271

She expressed the opinion that the organization of a third political party with no Communist connections is the only salvation for the American way of life, which means segregation of the races.

[redacted] further advised that prior to the 1958 national convention of the NSRP she had discussed the program with [redacted] wanted to invite [redacted] the widely known segregationist, to speak at the convention. She told [redacted] it would be a mistake for [redacted] to speak because she said he is connected only with hate groups and his presence at the convention would damage the reputation of the NSRP. Regardless, [redacted] invited [redacted]. It was during this time [redacted] decided [redacted] was in total control of the NSRP and made all decisions without ever permitting his name to be officially used. [redacted] said she had never at any time exercised any of the possible [redacted]

b6  
b7C

During the 1958 NSRP National Convention, [redacted] really became disillusioned with the party. At the Convention she met some members from the South and found them to be ignorant radicals controlled by emotions rather than thinking. She advised there were also some good religious people at the meeting and, like her, they were disillusioned by the raving, ranting radical speech of [redacted]. She said she listened to criticism of the Jewish race and FBI until she was sick of the whole thing. and, although not asked to speak, did make a speech on the last day of the Convention, telling the group that she did not agree with opinions expressed by the speakers and did not join their group to hate anyone but to try and help a third political party to preserve the American way of life. She said she became so disgusted with the NSRP and [redacted] methods after the Convention, that about a month ago she had [redacted]

b6  
b7C

[redacted] advised the final act responsible for her break with the NSRP was the report that some members of the NSRP were apparently connected with the bombing of the Jewish temple, Atlanta, Georgia. She found it almost impossible to think any member of the NSRP had anything to do with the bombing but observed some of the members were so emotional and radical they may have been incited into such an act. [redacted] said she had never heard any member of the NSRP indicate he would resort to violence of any kind.

An article in the July 28, 1958, issue of the Courier-Journal, a newspaper of general circulation in the Louisville, Kentucky area, reported that two women, one identified as Mrs. EDNA COWAN, age 36, New Albany, Indiana, were arrested on July 27, 1958, in Louisville, Kentucky, in connection with a 30 minute

LS 105-271

demonstration at 6th and Broadway Streets, the location of the Courier-Journal. Mrs. COWAN was charged with passing out handbills in front of the Courier-Journal building without having a city permit.

An article in the Courier-Journal of August 13, 1958, reported that on August 12, 1958, Mrs. EDNA COWAN, New Albany, and Miss BESSIE T. MORRIS, age 47, 3423 Powell, Louisville, Kentucky, were fined \$10.00 each in Police Court on a charge that they violated a city ordinance by placing handbills in automobiles in Louisville on July 27, 1958, without a permit. The article reflected the two were arrested during a demonstration at 6th and Broadway, Louisville, where three teenage pickets paraded with signs urging the United States not to "fight another war to save the Jews." Police said that the handbills passed out by the women were anti-Jewish. According to the article, DR. EDWARD R. FIELDS, Louisville, Kentucky, appeared as a witness for the women, stating he had received the handbills from a man in Washington, D.C.

The following appeared in the Letters to the Editors column of the August 11, 1959 issue of The Louisville Times, a newspaper of general circulation in Louisville, Kentucky:

"'Sickened And Ashamed'

To the Editor: When told that Louisville's City Fathers had issued an invitation to Russia's head butcher, we were sickened and ashamed. How could any decent person, we asked ourselves, grasp hands with another dripping with human blood? Would not the anguished voices of a million murdered drown out all thought of conversation? Would have Adolph Hitler received the same invitation under like circumstances? Naturally not, even though by comparison, counting atrocity for atrocity, bloody Khrushchev has outdone old Hitler 100 to one. Therefore it must be whom Hitler murdered, and not the evil act itself that made Hitler such an evil man. Which also explains why a certain element of our society after all these years, still goes into visual frothings at the mouth at the mere name of Adolph Hitler. But does in turn fawn and cower before the world's arch-criminal, Butcher Khrushchev, begging for his favor.

Such behavior upon the part of so-called Americans often causes me to look forward to the inevitable day when the mighty issue of Christianity versus atheism will be finally settled for all time, even if this

"means war. As Patrick Henry would agree, there are some things worse than death. Seeing my fellowman reduced to cringing, bootlicking cowards and imbecilic puppets is one.

MRS. PETER COWAN.

C. NEUPERT DUPES, aka., Ned Dupes -  
SECRETARY - TREASURER

On October 22, 1958, SA [ ] and SA [ ] contacted NEUPERT DUPES at his residence, 808 North 3rd Street, Knoxville, Tennessee, in connection with another matter. DUPES refused to talk to the Agents in private and insisted the interview be conducted in the presence of his two sisters, with whom he resides at this address. DUPES volunteered that he belonged to the NSRP, which he stated was a political organization advocating segregation, among other things. He said he does not recall anyone having applied for membership in the NSRP who might advocate such violence as the bombing of a high school, nor does he know of anyone who may have been rejected from the organization or dropped from it, who might advocate such violence. DUPES maintained he was opposed to any acts of violence and said that if he had any information as to who might have bombed the Clinton, Tennessee High School, he certainly would have made it available to the FBI or other authorities.

b6  
b7C

On October 21, 1958, LS T-8 advised she is acquainted with NED DUPES. She understands he is a former black-face comedian who has been unemployed for some years. She described DUPES as a "wind-bag" and recalled that on one occasion in the past, exact date not recalled, he attempted to have her join some type of anti-integration organization. She did sign an application blank or some form of this type but later reconsidered, and told DUPES she wanted nothing to do with the organization.

On [ ] LS T-9 advised that at a small gathering in [ ] on the evening of [ ]

[ ] discussion was had with respect to the possibility of [ ] being returned to jail. During the discussion NED DUPES remarked that he would like to get (President) EISENHOWER "in a corn field and take a ball bat to his head. I would really work him over."

The March 1959 issue of a bulletin of the Anti-Defamation League carried an article by JEROME BAKST, entitled "ANGRY YOUNG MEN OF HATE." This article identifies EDWARD FIELDS as a 26 year old chiropractor of Louisville, Kentucky, and a "key figure in the NSRP, coordinating all of its activities, contacts and liaison with other hate groups." FIELDS, according to the article, "apparently started Jew baiting in his teens, aided (J.B.) STONER in the Christian Anti-Jewish Party and got involved in newspaper notoriety while attending chiropractic school in Davenport, Iowa.

LS T-14, in April 1949, advised SA [redacted] that [redacted] was reportedly attempting to organize a group of students at that school into an organization called "The Black Front." Source said this organization was white supremacist in nature and that subject claimed there were 40,000 members in Germany, and that one of the sponsors was a former German Nazi living in Nova Scotia. This source furnished no further information regarding "The Black Front."

In December 1950 [redacted] voluntarily advised SA's [redacted] and SA [redacted] that through his reading he had, some time earlier, become convinced that all Jews were Communists and that they and the Negroes were going to take over the United States. He advised that he had since developed some doubts as to the truth of this belief. He expressed concern over the possibility that his past attitude might cause him difficulty in enlisting in the [redacted]

all Jews are Communists, and that the Communists and Negroes  
were planning to unite and overthrow the White people. [redacted]

intimidation by the FBI attributing this to the fact that he  
had circulated a leaflet intended to "expose the suit to abolish  
segregation in the Atlanta (Georgia) school system" and to  
"exonerate the Negroes from blame." [redacted] alleged improper  
questioning of associates by the FBI and asked if the FBI "is  
a front for the Jewish Anti-Defamation League" or "a branch of  
the Soviet NKVD."

In 1954 [redacted] Davenport,

made to police departments at Rock Island and Moline, Illinois,  
and Davenport, Iowa, concerning placing of stickers proclaiming  
"Anti-Jewish Week, February 21 to February 28," and "This place  
is owned by Jews," on numerous business establishments in the  
above three cities on the night of February 20-21, 1954.

[redacted] advised that [redacted] and [redacted]  
[redacted] both students at the [redacted] Daven-  
port, Iowa, were questioned by Davenport Police. [redacted]  
said, would make no comment, saying he was standing on his Con-  
stitutional rights. [redacted] gave the impression of  
being a "tough political organizer for anti-Semitism." [redacted]

G. JESSE BENJAMIN STONER, aka., J. B. Stoner -  
LEGAL ADVISOR

The March 1959 issue of a bulletin of the Anti-Defamation League, carried an article by JEROME BAKST, entitled "ANGRY YOUNG MEN OF HATE." J. B. STONER is identified in this article as having been a "Klan" organizer in Tennessee, in the 1940's, and thereafter "Fuehrer of his own organizations, variously called the STONER Anti-Jewish Party and the Christian Anti-Jewish Party."

On November 21, 1959, LS T-6 advised J. B. STONER had

to Lord HAW HAW, a Nazi propagandist broadcasting from Germany. He became fanatic in his hatred of Jews. A few years later he became a Ku Klux Klan organizer. STONER believed in supremacy of the White Race and based his beliefs on his reading of the Bible. [redacted] said STONER was balanced on all subjects except his hatred for Jews and Negroes.

[redacted] said that during his childhood STONER had had polio which left one of his legs shorter than the other. She said that polio had also affected one of his arms. She said that STONER's being crippled probably has a bearing on his personality. [redacted] furnished the names of the following as relatives of STONER:

[redacted]

On September 1, 1950, JESSE B. STONER voluntarily furnished the following information to SA's [redacted] and [redacted]

He joined the Chattanooga (Tennessee) klavern of the "Ku Klux Klan" in 1940 and became exalted Cyclops. He held this office until 1945, at which time he resigned because of a misunderstanding with a Klan leader. He rejoined the Klan in Chattanooga in 1949. STONER displayed a membership card, #15282-B-11604R, bearing an expiration date, July 1, 1950. STONER was formerly Editor of the "Klan" publication "Free America" but the last edition of this paper was published in May, 1950.

LS 105-271

STONER furnished his mailing address as P.O. Box 348, Chattanooga, Tennessee, his temporary residence address as the YMCA, Chattanooga, his permanent address as Route 3, Chattanooga, and said that he was 26 years old, White, single and a U. S. citizen.

On September 30, 1959, LS T-18 advised as follows:

In approximately 1942 STONER was appointed organizer for the Knights of the Ku Klux Klan Inc. (KKKK) of Atlanta, Georgia. In 1945 it was discovered that STONER had never received a charter for the Chattanooga, Tennessee chapter of this organization and STONER was expelled. Members of the Chattanooga group then secured a charter in the name of the Association of Georgia Klans, Inc. STONER, in 1949, was reinstated in Klavern 305 of this group, but was expelled again within two weeks.

The Association of Georgia Klans, Inc. has been designated by the Attorney General of the United States, pursuant to Executive Order 10450.

On September 5, 1952, LS T-19 advised SA [redacted] that J. B. STONER was [redacted]

JESSE BENJAMIN STONER, on October 29, 1958, appeared at the Savannah Office of the FBI and inquired of SA's [redacted] as to whether or not Anti-Defamation League and FBI Agents had been following him. He indicated that he wanted this information so that he might get an injunction against them to prevent them from "hounding" him. STONER said he had been discharged from his job because his name had appeared in news stories regarding the bombing of the Jewish temple in Atlanta, Georgia, and that the FBI and the Jews' money had cost him his job.

b6  
b7C

On October 13, 1958, STONER, then residing at 913 East Henry Street, Savannah, Georgia, was interviewed by SA's [redacted] STONER advised as follows:

b6  
b7C

He had been harassed by the FBI and Atlanta Police over a long period of time. J. EDGAR HOOVER, in his book "Masters of Deceit" had "backed down" before the Anti-Defamation League. Several years ago the FBI harassed him by showing neighbors literature which the FBI claimed to be Communist or Nazi in nature.

LS 105-271

In 1953 a person STONER said was connected with the FBI attempted to burn him out by placing gasoline under the door of his apartment in Atlanta. STONER intimated that the FBI did not investigate violations of civil rights of White people but declined to furnish information as to specific instances wherein the FBI had so failed.

During the conversation STONER attacked Jews and expressed the opinion that he was being interviewed only because he had been named by the Anti-Defamation League as a suspect in recent bombings in the South. STONER said he hoped he was the "most anti-Jewish person" in the United States and stated "At least I am seeking that title."

STONER denied any connection with the then recent bombings in Atlanta, Georgia, and Clinton, Tennessee. He said he had no propensity for violence, did not advocate violence and could account for his whereabouts during the periods pertinent to the bombings. He said he would not furnish information as to his whereabouts during the periods pertinent to the bombings because he feared he would be framed. STONER indicated that he felt "the Jews" may be responsible for the bombings to discredit people like him (STONER).

The following information was furnished by [redacted] to SA [redacted] on the indicated dates:

b6  
b7C

On May 14, 1958, [redacted] in Atlanta, Georgia, that "J.B." (STONER) was a "radical, the Hitler-type concerning Jews."

On May 19, 1958, [redacted] in response to a question as to what STONER was doing in Florida to help the White Race replied, "Blowing up synagogues, what do you think?" [redacted] also said that STONER was too smart to get caught and said that STONER had a working knowledge of explosives. [redacted] indicated that [redacted] was at that time a member of the United White Party in Atlanta, was taking pledges for the United White Party, and was going to set up an office in Atlanta.

b6  
b7C

On November 30, 1959, LS T-6 advised that STONER has said that the FBI has been guided away from its true purpose, and is encouraging Communism and disregarding the Constitution in its meddling into integration matters. STONER said, according to the source, that the FBI is a tool of the Jews and thus controlled by the Communists. The source said STONER hates the FBI more than he hates the Jews.

LS 105-271

On December 9, 1959, LS T-6 advised that STONER has a hard time talking about anything without making some attack upon the FBI. This source feels STONER is mentally warped in his hatred of the FBI and would commit violence if he thought he could get away with it.

On December 18, 1959, the above source indicated he did not believe STONER would use a gun against an FBI Agent. The source said STONER would have the nerve to do so but is too smart, knowing that he could not get away with it.

On December 4, 1959, LS T-6 advised that STONER frequently personally expresses a vicious attitude toward Jews; that the source feels STONER is mentally unbalanced in his hatred of Jews; that STONER, if he thought he could get away with it, would gladly kill any Jew and would have no qualms of conscience about it.

On December 18, 1959, LS T-9 advised that in a recent conversation with J. B. STONER, STONER's obscenities regarding the FBI had sunk to a new low; that STONER's grudge against the FBI is a bitter one; that STONER swears revenge against the FBI for persecuting him and that STONER hopes to destroy the effectiveness of the FBI by urging people, particularly segregationists, to have nothing to do with the FBI. STONER, according to the source, expressed admiration for the Nazis of the Hitler Regime in Italy, and remarked concerning one Nazi official, "Any man who has killed three thousand Jews should get some kind of medal." STONER laughed at this statement until tears came to his eyes.

As of January, 1960, LS T-6 advised that STONER was residing [REDACTED]

#### V. ORGANIZATIONAL ACTIVITIES

##### A. NSRP NATIONAL CONVENTION, AUGUST 30-31, 1958 LOUISVILLE, KENTUCKY

On September 3, 1958, [ ] advised that the National Convention of the NSRP was held at Louisville, Kentucky, on August 30-31, 1958, and that he attended. The meeting was held at Liberty Hall, Louisville, Kentucky. Information furnished by [ ] concerning this convention included the following:

b6  
b7C

When the convention was called to order on August 30, 1958, approximately 70 people were in attendance. [ ] the well-known segregationist, was introduced as the keynote speaker and martyr to the American cause. [ ] skillfully wove truth and philosophy into the race and anti-Jewish cause. [ ] stated their main concern is communication as the newspapers, television and radio stations are controlled by the Jews, and the NSRP must, through literature and public speakers, maintain communication with the people. [ ] said "Just look what happened while I was in prison even; those folks that have heard the truth in Clinton, Tennessee, and other places had a reaction. Even then, a synagogue was bombed in Miami, and Nashville, attempts were made in Gastonia, North Carolina and nigger schools were bombed and dynamited. All of this was done only after a little communication work had been accomplished." [ ] also said "This is only the beginning, if we cover up the truth, the people will react and the Jews will feel the reaction, why Hitler will look like a Baptist Sunday school teacher in comparison with what will take place." [ ] further stated "The Jew is the trouble, I say we will never stop until they are completely disposed of in one fashion or another, then we can send all the Negroes back to Africa, and have an Anglo-Saxon nation we can be proud of." [ ] statements were received by cheering, whistling and applause from the audience.

b6  
b7C

Admiral JOHN CROMMELIN of Alabama was drafted as the NSRP's choice for President of the USA, although it was felt he had no hope for election at this time but his campaign speeches would expose the Jew on a nationwide scale.

LS 105-271

Information furnished by LS T-7 on September 1, 1958, regarding the NSRP included the following:

The convention was held at Liberty Hall, 211 West Liberty Street, Louisville, Kentucky. The first session, open to the public, commenced on August 30, 1958, at 2:30 PM. Approximately 100 persons were in attendance and the meeting was called to order by ARTHUR COLE, National Chairman, who stated the convention was being held for the purpose of nominating the Party's candidate for President in the 1960 election.

The first speaker, Mr. BEAUHARNOIS of Chicago, Illinois, spoke for about 25 minutes and advocated the use of Hitler methods to gain power in the United States, urging the States Rights Party should work to secure seats in Congress, then grasp control and overthrow the present form of Government. He indicated that by doing away with the Jews they would also do away with the "Niggers".

The principal speaker, JOHN KASPER, spoke for about 50 minutes. He related his experiences in Clinton, Tennessee, and said his main purpose in coming to Louisville was to instruct the members of the Party how to go about educating the people of Kentucky; to get them to work together to overthrow the Jews in power thereby stopping integration and bringing an end to being pushed about by the "Niggers". KASPER, several times, said he did not advocate violence but feels the result of his work is evidenced by the bombing of Jewish synagogues and Negro churches and schools. KASPER used the terms "kikes" and "niggers" throughout his speech and his remarks were received by enthusiastic clapping, shouting and amens.

DANIEL KIRK of New York, PETER XAVIER, Dayton, Ohio, and ADELL SUMMERSETT of Rock Hill, South Carolina, also spoke and in their talks likewise condemned the Jews and Negroes. Short talks were made by several others in attendance.

LS T-7 also advised he had learned that on August 31, 1958, a gathering of some individuals attending the NSRP Convention was held at the Williams Trailer Court, 2129 Dixie Highway, operated by RALPH E. WILLIAMS.

According to the source, the convention seemed to be completely in accord with the nomination of Admiral CROMMELIN for President and with the idea of having MILLARD DEE GRUBBS, Louisville, Kentucky, run for the office of Governor of Kentucky.

LS 105-271

The September 1959 issue of The Thunderbolt reported the death on August 15, 1959, of R. E. WILLIAMS, Louisville, Kentucky, a NSRP member, stating WILLIAMS had never failed to contribute to any Party project and had been host to official Party delegates at a party WILLIAMS gave the day after the NSRP Convention last Labor Day.

The Courier-Journal, newspaper, in its issue of August 31, 1958, reported an NSRP convention was held in a closed session at Liberty Hall, Louisville, at which the Convention voted to draft retired Admiral JOHN G. CROMMELIN as that Party's candidate for President in the 1960 election. The article noted that JOHN KASPER, a segregationist, was spokesman. According to the article, KASPER indicated 100 delegates, representing 18 states, were present at the Convention.

He made available a copy of the announcement which was headed "White Rally" reflecting the meeting was of the NSRP and that JOHN KASPER, RODERICK J. WILSON of Los Angeles, and J. B. STONER would speak. The announcement stated the meeting was to be the "kickoff rally" in the 1960 election campaign of the NSRP. KASPER was to speak on the campaign for White schools and submit evidence to prove that "The Communist-Jewish conspiracy has captured the Supreme Court and stacked it against Freedom and the White Christian people of America." It also stated KASPER would discuss the reason the NSRP should draft Admiral JOHN G. CROMMELIN for President. RODERICK J. WILSON, identified as Head of the National Party, was scheduled to outline the campaign strategy of independent candidates for office in 1960. J. B. STONER was scheduled to tell the rally what "White Christian Patriots must do to regain our cherished American Freedom" by "freeing our beloved America from the Jews." The July 1958 issue of The Thunderbolt carried a statement reflecting it to be the first issue of this publication. The issue published in December 1959 was numbered issue #14.

Page 2 of the July 1958 issue of The Thunderbolt carried the following background regarding "The Thunderbolt symbol:" "The most ancient symbol of the White Race is The Thunderbolt. It was first recognized by our early forefathers as the sign of the power of the universe. The electrifying flash of the light from the heavens is sign of force which we will gather in the name of our awakened White Folk....In this, the great hour of crisis for the White Race the N.S.R.P. takes this symbol as the political force which will eventually unite the White races and save our pure White Race."

As noted hereafter, The Thunderbolt has followed a policy of opposing integration and attacking the Jewish people and the Federal Bureau of Investigation.

The July 1958 issue of The Thunderbolt carried an article referring to the FBI as the "Secret Police" and alleging that if a White man became active in segregationist activities the FBI "taps" his phone, surveils him and questions his business associates and neighbors." The article further alleged this activity of the FBI resulted from the fact "the FBI is under the Justice Department, which was so long headed by the infamous HERBERT BROWNELL, who was always a stooge for the ADL (Anti-Defamation League) and NAACP (National Association for the Advancement of Colored People."

An undated issue of The Thunderbolt, received by LS T-7 a few days prior to August 20, 1958, contained an article viciously attacking the Director and Agents of the FBI, alleging the FBI to be "honeycombed" with Communists. The article outlined methods NSRP members were to use in handling FBI inquires.

The November 1958 issue of The Thunderbolt contained an article defending the Atlanta, Georgia NSRP members arrested in connection with the bombing of the Jewish temple in Atlanta, Georgia on October 12, 1958. The article announced that Life Magazine planned a "giant smear in the hopes of destroying the N.S.R.P." It is stated that Life Magazine would attempt to link all patriotic groups with Southern bombings, and that this scheme "could only have been hatched in the evil dens of New York's A.D.L., where this crackdown and bombing were undoubtedly planned to destroy all opposition and turn America over to the integrationist mob of Reds in Washington."

LS 105-271

The February, 1959 issue of The Thunderbolt continued to attack the FBI and urged "All Patriots should do all in their power to urge Congress to take the FBI out from under the authority of the Justice Department & Atty. Gen. Rogers & let the Intelligence Services use the FBI to protect America from the real foreign enemies - Communism & Zionism, the twin destroyers of Liberty and Constitution. We must act now to make an all out fight to stop the use of the FBI as a secret police agency." Page 3 of this issue, under the heading of Editor's Note, contained the following: "We hear talk sometimes about the 'good Jews', who are on our side. We wish some of our loyal readers would write us and name one of them. DAVID LAWRENCE is the last one we know of to stab us in the back! If there are any more 'good Jews' around, we wish you would point them out--so that we can be on guard!"

The March-April, 1959 issue of The Thunderbolt likewise attacked the FBI. This issue also carried an announcement headed "National Outrage: Jew Named Head of Army." This announcement stated that President EISENHOWER "recently decided that no White man was quite qualified to hold the Army's top position and so picked the Hebrew Gen. LYMAN L. LEMNITZER, as the new Chief of Staff. LEMNITZER can be counted on to support any future administration plans to use bayonets against civilians." The announcement also stated "the notorious records of Jewish cowardice in avoiding the combat zones during the past World Wars absolutely negates all kosher claims to positions of leadership in the Armed Forces."

The May 1959 issue of The Thunderbolt was devoted almost exclusively to attacks on the FBI. In an article entitled "FBI On Frameup Rampage", it is stated "it is time these carpet-bagging snoops were run out of the South. We suggest that the old fashioned American method of tar and feathering plus a ride out of town on a rail be used. One effective way to stop the Federal Bureau of Integration would be Legislation making it a criminal offense for state and city police to cooperate with the Jew B.I." This issue also contained an article entitled "TIPS ON HOW TO HANDLE RED SECRET POLICE" by "ATTORNEY J.B. STONER." In this article, FBI Agents are referred to as "frame artists", "slimy race mixers" and "mangey dogs." It is stated that "FBI Agents are the Jew-controlled shock troops of integration. Those criminals are working to destroy our White race. Any person who gives information to the FBI is guilty of giving aid and comfort to the enemy of the U.S. DON'T BE A TRAITOR!"

LS 105-271

The September 1959 issue of The Thunderbolt contained an article, over the typed signature of "MATT KOEHL, National Organizer, N.S.R.P." wherein it is stated that the FBI "is a Jew-controlled Red Race-mixing outfit."

The October 1959 issue of The Thunderbolt continued to attack the FBI. This issue also contained anti-Semitic material including the following passage: "This may shock some people, but the struggle against race mixing in the schools is a struggle against a highly organized Fifth Column of Jews hell bent on destroying the very blood lines of our people." Readers were urged to join the NSRP, described as "the only political party really fighting a no holds barred struggle with its true enemy." It urged "Fight with us against the evil satanic race mixing plotters who would destroy all traditions handed down to us by our forefathers. In the name of every White child in America and those yet to be born, in the purity of their being cast your future with us."

The December 1959 issue of The Thunderbolt continued attacks on the FBI and the Jewish people.

The October 2, 1959 issue of the "Chronicle", a Jacksonville, Florida weekly newspaper, carried an article on page 4, entitled "Want Crommelin for President". This article announced the NSRP would sponsor a public rally at the Odd Fellows Hall, 125 Market Street, Jacksonville, Florida, on October 11, 1959, and the purpose of the rally, according to Atlanta attorney, J. B. STONER, who was to be the principal speaker, was to stop race mixing in Florida. STONER was also reported to have said an effort would be made to get the NSRP on the National ballot in 1960 and elect Admiral CROMMELIN of Wetumpka, Alabama, to the office of President of the United States.

On October 14, 1959, LS T-27 advised J. B. STONER was the principal speaker at the NSRP meeting referred to above. He spoke of race mixing in Florida and throughout the United States, and said the only way to get a real Government is start a third party. He remarked an effort would be made to get a third party on the National ballot in 1960 and elect Admiral CROMMELIN as President. LS T-27 said STONER spoke at length regarding the Jews and the Communist movement, and called the Jews children of Satan. He maintained the Jews and the Communists are behind all the trouble that is being caused with the Negroes. The source said STONER also discredited the FBI and the Attorney General. STONER also discussed NIKITA KHRUSHCHEV's background, claiming he was two-third Jewish, and stating his present position in Russia was marked by mass murder and ruthless brutality. STONER told of his recent stay in Miami, Florida, and took credit for preventing integration in the Orchard Villa School there.

"Dear Patriot,

"I wish that this could be a personal, typed letter, but the important business of saving the American Whitefolk has put such a load on my shoulders, I simply don't have the time.

"What time is it? IT IS FIVE MINUTES TO DOOM! The mongrelisation of the entire White Race - assassination of all Great White Leaders like JOE MC CARTHY, General MAC ARTHUR, and JOHN KASPER - imprisonment in 'Mental Health' Camps for everyone who believes in God or the American Constitution - and DEATH for all 'Anti-Semites! Such is the Jew's program for the NEAR FUTURE. They did it in Russia by murdering millions of White Russians. They did it in Germany by the Kangaroo Court of the Nuremberg Trials. And the Jew CASTRO bloodbath is already under way, while American Newspapers swing toward a pro-CASTRO policy. WE ARE NEXT UNLESS WE DO SOMETHING AND NOT JUST TALK ABOUT IT!

LS 105-271

"Jew Rabbi RABINOVICH said: 'The time is close at hand when every Jew will be a king and EVERY GENTILE A SLAVE. We (the Jews) will openly reveal our identity with the races of Asia and Africa. I can state with assurance that THE LAST GENERATION OF WHITE CHILDREN IS NOW BEING BORN. Our Control Commissions will, in the interest of peace and wiping out inter-racial tensions, FORBID THE WHITES TO MATE WITH WHITES. The WHITE WOMEN MUST CO-HABIT WITH MEMBERS OF THE DARK RACES, the white men with black women. Thus the WHITE RACE WILL DISAPPEAR, for MIXING THE DARK WITH THE WHITE MEANS THE END OF THE WHITE MAN, and our most dangerous enemy will become only a memory.'

"January 12, 1952  
Budapest, Hungary

"Isn't this plain enough? Look at the unbridled race-mixing propaganda in Movies, T.V. Programs, and our daily Newspapers! The Jewpreme Court is turning Commies loose by the dozens and issuing Integration Edicts as if it were the branch of the Kremlin that it is. WE, HERE IN FLORIDA, are in special danger. Our sorry, miserable excuse for a Governor, Niggerhead COLLINS, has stated that we must integrate 'a little' in order to keep the Federal Government from coming in here. As if the Jew ever stopped at a 'little bit'! Compare this kinky-headed little worm with Governor FAUBUS of Arkansas! When LEROY is not drinking highballs with his Kike friends on Miami Beach, he is hopping from one side of the fence to the other, on the Segregation-Integration Question.

"And there is not one Democrat or Republican in office that we can really rely upon. There isn't any more Communist Party in the United States -- all the Reds joined the Democratic and Republican Parties! The regular parties have repeatedly and constantly BETRAYED us, while drooling about moderation while 'doing business with' World Kikery. A THIRD PARTY IS NEEDED AND THAT PARTY HAS BEEN FORMED. It is the National States Rights Party.

LS 105-271

"A copy of the NATIONAL STATES RIGHTS PARTY Platform is enclosed with this letter. Read it, and if this is what you have been waiting for, fill out the application and return it with your membership fee to the address at the bottom of this page.

"The National States Rights Party is a strong, going organization that knows where it is going and how it is going to get there! We have scared American Kikery so badly, they sicked LOOK Magazine on us. See the January 6, 1959 issue. A smear in LOOK, LIFE, or TIME is the highest of praise!

"I have your name as a hardcore, diehard Segregationist and a Loyal American. We need YOU and everyone you can rally. Unless we make a showing in the next local, state and national elections, OUR CASE MAY BE LOST FOREVER, and then may God have mercy on us! Won't you act NOW, so that we can start rolling?

The October, 1958, issue of this publication listed the Washington NSRP address as Attorney C. M. BAXTER, Chairman, 509 Thirteenth Avenue, North, Seattle 2, Washington.

On March 2, 1959, CHARLES BAXTER was interviewed at his residence, 509 Thirteenth Avenue, North, Seattle, by SA [redacted] and SA [redacted] on another matter. During the interview he stated there was no organized unit of the NSRP in Washington; that he had tried to interest people in his ideas but had not had any success in organizing people around any point. He said the people in the northwest were not interested in the "problems" and he had quit trying to actively interest people in any type organization.

On November 27, 1959, CHARLES BAXTER was interviewed at his residence, 944 Eleventh Avenue, North, Seattle, by SA [redacted] and SA [redacted] regarding another matter. He said he had written letters to Presidents in three different administrations and to the late JOHN FOSTER DULLES, former Secretary of State.

CITIZENS NATIONAL LAW ENFORCEMENT COMMISSION  
(CNLEC)

On October 14, 1958, MILLARD DEE GRUBBS, 1427 South 6th Street, Louisville, Kentucky, advised Agents of the Federal Bureau of Investigation that he is National Chairman of the CNLEC and also President of the Citizens Councils of Kentucky, Inc. GRUBBS remarked he feels some judicial opinions and legislative enactments have departed from the intent of the framers of the Constitution, and he seeks to bring about greater respect for and observance of the Constitution of the United States. GRUBBS expressed his opposition to integration of the public schools in the United States.

On August 25, 1959, a source advised that the CNLEC was an organization created by MILLARD GRUBBS and that it appeared to be strictly a paper organization at that time. On September 9, 1959, this source advised MILLARD GRUBBS had mentioned he wanted the CNLEC to be similar to the old Vigilantes.

DIXIE KLANS, KNIGHTS OF THE KU KLUX KLAN, INC.  
(DKKKKK)

Two sources have advised that at a meeting of Klavern #1, U.S. Klans, Knights of the Ku Klux Klan, Inc., (U.S. Klans), Chattanooga, Tennessee, on September 17, 1957, some former leaders of Klavern #1 and their close associates had been banished from U.S. Klans during the preceding week. These sources advised the individuals who were banished formed a new Klan organization known as DKKKKK, with headquarters in Masonic Hall, 2523 Glass Street, East Chattanooga, Tennessee. A General Welfare Charter was secured by DKKKKK from the State of Tennessee on October 21, 1957, which charter lists some of the purposes of the organization as freedom of speech and association, rejection of forced integration, preservation of the Constitutions of the United States and of Tennessee, and preservation of the sovereignty of each state.

According to the above two sources, the DKKKKK was organizing Klaverns in Tennessee, North Carolina, South Carolina and Georgia.

APPENDIX

CHRISTIAN ANTI-JEWISH PARTY (CAJP)

A source advised the CAJP was founded in Atlanta, Georgia, in 1946 by JESSE B. STONER. The source identified the CAJP as being anti-Negro, anti-Jewish, and a proponent of the White Race being above all others. In May 1954 the source advised the CAJP was still active under the leadership of JESSE B. STONER.

APPENDIX

CHRISTIAN KNIGHTS OF THE KU KLUX KLAN (CKKKK)

In June 1959 a source advised that JESSE B. STONER, who claimed to be an attorney from Atlanta, Georgia, was in Louisville, Kentucky, and STONER, together with EDWARD R. FIELDS, a chiropractor from Louisville, Kentucky, were organizing the CKKKK, with headquarters in Louisville, Kentucky. The source stated the membership application of this organization reflected the organization was composed of "loyal White people: men and women, Protestants and Catholics, native and foreign born Americans," and that the organization would work for "Legal Segregation everywhere in America and Federal aid to all Negroes who wish to return to Africa." According to the application "The Klan has saved White America before and will save her again."

The above source also advised that JESSE B. STONER and [redacted] had expressed anti-Negro sentiments and vigorously denounced the Jewish race.

b6  
b7C

In July 1959 another source advised that the CKKKK's mailing address was P.O. Box 45, Louisville 1, Kentucky.

APPENDIX

NATIONAL CITIZENS PROTECTIVE ASSOCIATION (NCPA)

On September 22, 1955, a source advised the NCPA was founded in 1951 and purports to be dedicated to preserving the racial integrity of the White Race and to maintaining the dignity, heritage, culture, right and welfare of the White Race.

The August 1952 edition of the White Sentinel, official organ of the NCPA, states: "The Citizens Protective Association was founded to preserve racial security; to maintain America as a White nation; to fight the insidious influence of Communism; to work for lower taxes and against Government waste; to protect our citizens their rights, person and property; to organize the White Citizens into a powerful voting majority so that once again office holders will be servants of the people."

APPENDIX

NATIONAL KNIGHTS OF THE KU KLUX KLAN (NKKKK)

A source advised that the NKKKK was formed by JAMES W. BAGWELL of Greenville, South Carolina, on October 4, 1957. The source said BAGWELL has claimed the NKKKK was affiliated with other Klan groups and its objectives were to oppose integration in every form.

On January 22, 1958, another source advised that in his opinion the NKKKK existed only in the imagination of JAMES BAGWELL, as a means of gaining publicity for himself following his forced resignation as Grand Dragon from the South Carolina Knights of the Ku Klux Klan.

The "Greenville News", a Greenville, South Carolina newspaper, in its issue of January 2, 1958, published an article reflecting JAMES BAGWELL had announced on the previous day that the NKKKK was being dissolved.

APPENDIX

NATIONAL RENAISSANCE PARTY (NRP)

On April 21, 1958, a source described the NRP as an anti-Semitic, anti-Negro, Neo-Fascist organization, with activities generally confined to the New York City area. It was founded in 1949 by JAMES H. MADOLE, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" (NRB) on a monthly basis, and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The Un-American Activities Committee of the United States, House of Representatives, in a preliminary report dated December 17, 1954, stated: "National Renaissance Party activities and propaganda are clearly subversive and un-American."

On December 19, 1958, the above-referred to source said that headquarters of the NRP are maintained at 10 West 90th Street, New York City, New York, at the residence of JAMES MADOLE.

The "New York Compass", in its November 20, 1949 issue, reported in a story by HARRY HENDERSON, concerning an interview with JAMES MADOLE, that MADOLE wanted to be "America's Fuehrer", admitted his anti-Semitism and said the NRP stood for Government by the "intellectual elite."

The September-October 1958 issue of the NRB contains the following statement in its masthead: "Official organization of the NRP devoted to the restoration of the American Republic, the preservation of Americans sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice."

The September 1959 issue of The Thunderbolt contained an article over the typed signature of "MATT KOEHL, National Organizer, N.S.R.P." wherein it is stated that the FBI "is a Jew-controlled Red Race-mixing outfit."

The October 1959 issue of The Thunderbolt continued to attack the FBI. This issue also contained anti-Semitic material including the following passage: "This may shock some people, but the struggle against race mixing in the schools is a struggle against a highly organized Fifth Column of Jews hell bent on destroying the very blood lines of our people." Readers were urged to join the NSRP, described as "the only political party really fighting a no holds barred struggle with the true enemy." It urged "Fight with us against the evil satanic race mixing plotters who would destroy all traditions handed down to us by our forefathers. In the name of every White child in America and those yet to be born, in the purity of their being cast your future with us."

The December 1959 issue of The Thunderbolt continued attacks on the FBI and the Jewish people.

On 2/23/60, [redacted] advised SA [redacted] that this issue of "The Thunderbolt", on page 2, carries an article attacking FOREST and HELEN WOLF of Fort Lauderdale, Florida, who operate the White American News Service because of their praise of J. EDGAR HOOVER and the FBI. The article attacks the WOLFS for ousting JOHN W. HAMILTON from the newspaper "The White Sentinel" in St. Louis, Missouri.

b6  
b7C  
b7D

[redacted] further advised that in January, 1960, the White American News Service, PO Box 9013, Fort Lauderdale, Florida, carried the following article:

"PATRIOTS - BEWARE"

"An organization masquerading as a patriotic group has a working agreement with the Communist Party. The agreement, the Communist Party will give aid to this group, whom in turn have agreed to help the Communist Party discredit the FBI. Their rabid, mad dog attacks on the FBI differ little from that of the Communist Party. One of their representatives, an ex-Communist, still has red connections. This subversive group has learned much from their Communist friends. They are using the Communist technique of smearing and discrediting right wing leaders and patriots."

The convention got started along about 3:30 PM. It was opened by prayer by Rev. JOHNSON from Dayton, Ohio. JOHNSON also spoke. After JOHNSON, ARTHUR COLE, the National Chairman of the NSRP, who is from Tennessee, read a speech. Then ED FIELDS spoke and after FIELDS, NED DUPES, the Secretary of the NSRP, also from Tennessee, talked. After DUPES, FIELDS talked again and then Rev. JOHNSON. It was FIELDS again after JOHNSON. Dinner was then served by a catering service for the convention. It was a buffet-type meal and the cost was \$1.75 per person. Along about 7 PM, FIELDS got the convention going again. BURKE then spoke. It was about this time that STONER and CALVERT came to the convention. There was a young white boy with them, who appeared to be about 17 years old. STONER and CALVERT had remained at the location of the Odd Fellows Hall directing people on the way to get to Midway Lodge. After BURKE finished speaking, FIELDS introduced ALLEN MANN as a speaker but MANN wasn't in the hall. STONER then spoke. After STONER talked, then MANN spoke for a while.

None of the speakers advocated or urged the people to commit any violence. The theme of all the talks was white supremacy and keeping the white race white. The speakers also urged the people to support Governor FAUBUS for President of the United States. J. B. STONER, in his talk, bitterly denounced the Federal Bureau of Investigation and its Director. He called them criminals and referred to them as the Jew B.I. He tried to prove the Jews control the FBI, and it is obvious he hates the FBI with a passion. STONER, however, was the only speaker who criticized the FBI. EMORY BURKE impressed me as being by far the best speaker. He is an excellent talker and was really able to hold the interest of the crowd. BURKE is really opposed to mixing of colored and white races and I got the impression he was sincere in his feelings. He told a story about some Confederate General who had been surrounded by Union forces during the Civil War and this General roused his troops to great effort by use of one word, namely, "Fight, fight, fight." BURKE told the convention that is what we must do now.

b7D

A Mrs. BISHOP from Little Rock, Arkansas, was at the convention and she said that about eight or ten hours before she had left Little Rock to come to the convention she had talked to Governor FAUBUS of Arkansas, and that the Governor had told her he was entirely behind the convention's desire to nominate him as a presidential candidate. EDWARD FIELDS said he had a letter from Governor FAUBUS in which FAUBUS said it was all right with him for the convention to nominate him.

During the early part of the convention, EDWARD FIELDS nominated Governor FAUBUS of Arkansas as the NSRP's presidential candidate and Admiral JOHN CROMMELIN of Alabama as its Vice Presidential candidate. There were no other nominations and this seemed to be a cut and dried affair, and the two candidates were unanimously nominated. EDWARD FIELDS told the convention that all present should now go back to their various states and get the nominees on the ballots in those states. As far as I could see the only thing accomplished by the convention was the nomination of its candidates, but from conversations with EDWARD FIELDS I gathered this was really the only purpose of the convention, so the convention apparently accomplished what FIELDS desired it to accomplish.

ALLEN MANN offered everyone present 33 copies of two small throw-away sheets he had. He urged

all to take these free of charge and go to the phone books in their various localities and mail these to 33 different people. He said something about if he could get 100 people to do this once a week that within a year they could get the word to 3 or 4 million people.

Apparently the people who had rented Midway Lodge for the convention had guaranteed the catering service there would be around 300 or more people for the meal which was to be served. There was nothing like this number present. At about 5 PM I made a count of the people in the hall and counted 51, about 15 of whom were women. In view of the guarantee regarding the number of people to be served a meal not having been reached, there was some difficulty between the catering service and the people who made the guarantee with respect to the money owed the catering service. I understand the catering service agreed to accept \$75.00 in addition to the money paid by those eating. A collection was taken up among those present at the convention and the collection amounted to around \$70.00, which was used to pay the catering service the extra money required.

b7D

b7D

b7D

There was a fellow at the convention who said he was from Detroit, Michigan. I wasn't able to get his name but he appeared to be about 40 years of age, 5'10", 180 pounds, wearing glasses, has gray hair, cut in a burr fashion. He claimed the NSRP had quite a few members in Detroit but said they engage in

no open activity at all and had held no meetings. He said they were afraid to be openly known as NSRP members, not only because of the law but also because of the Negro element in Detroit. According to him the members in Detroit, make an effort to join every type of organization possible so as to meet as many people as they can and spread the word to these people about the NSRP. This fellow flashed a stack of cards which looked to be about an inch thick and said they were membership cards of organizations to which he belonged. This fellow had a badge indicating membership in some kind of sheriff's association.

With respect to being afraid to be known, I might mention I never saw such a group of scared people as the group at the convention. Every time they heard a car pull up in the driveway of the convention, almost all of them turned their heads to try to see who might be coming in. There was no organization to the convention at all. Everything seemed to be in confusion. There was no minute taking or reading of the minutes or the normal procedure you would expect to find at a convention of this type.

EDWARD FIELDS read letters to those present at the convention from MILLARD GRUBBS of Louisville and JOHN KASPER, who is in jail.

The convention broke up around 8 PM, March 19, 1960.

Also at the convention were a [redacted] or a similar sounding name. I don't know where they now live but understand he originally came from around Morganfield, Kentucky. There was also an elderly lady at the convention who was from Detroit. I don't know her name but heard she sells real estate in that area.

The only people named above that I had previously met were [redacted] and J.B. STONER. Therefore, I am not sure of the spelling on the remainder of the names, and the information as to where they are from was obtained during conversation at the convention.

As I mentioned before, the convention was wholly dis-organized and my impression of the whole affair was that the NSRP is just a farce and a money-making scheme for FIELDS and a few associates he has in it.

On March 16, 1960, the following information was obtained from [redacted] through a pretext:

b6  
b7C

On March 15, 1960, a trustee of the Odd Fellows Lodge, Dayton, Ohio, advised [redacted] that the Odd Fellows Board of Directors decided to cancel the NSRP reservation to hold the convention at their Lodge. Originally the Lodge was rented during November, 1959, and money was paid to hold the Lodge open for the NSRP. The Odd Fellows canceled the reservation due to the poor publicity in the newspaper and the threat of the NAACP to picket the convention. [redacted] stated that he is now in a predicament as he does not have sufficient time to notify the membership of the cancellation and that he must find a location for the convention. He stated that he is completely upset over the cancellation and that approximately 300 people are expected at the convention. He advised that he telephonically contacted

b6  
b7C

[redacted] and also J. B. STONER, Attorney for the NSRP, and advised them of the cancellation. He stated that STONER and [redacted] do not know what to do.

[redacted] mentioned that the NSRP has members in thirty-two states and that NED DUPES of Knoxville, Tennessee, is the National Organizational Secretary of the NSRP. [redacted] stated that he is not getting any help from the national leadership of the NSRP [redacted]

b6  
b7C

A "special" issue of "The Thunderbolt," dated January, 1960, lists Dr. EDWARD R. FIELDS as the Information Director of the NSRP.

The same issue of "The Thunderbolt" lists Attorney J. B. STONER as the Legal Advisor of the NSRP and lists NED DUPES as the Secretary-Treasurer of the NSRP. "The Thunderbolt" is self-described as the "Official White Racial Organ of the NSRP".

CI 105-1139

On March 16 and 17, 1960, [ ] was telephonically recontacted at his residence through a suitable pretext and advised on both occasions that he has been unable to locate a convention site. On March 17, 1960, [ ] stated that [ ] both of Dayton, Ohio, were assisting him in his attempts to locate a convention site.

b6  
b7C

A "Special Convention Issue" of "The Thunderbolt," not dated, issued in March, 1960, described Mrs. EVA DUBBS, [ ] as the Ohio State Secretary of the NSRP.

b6  
b7C

On March 18, 1960, the following information was obtained from [ ] through a pretext:

b6  
b7C

[ ] related that a convention site was rented during the late afternoon of March 18, 1960, but she could not reveal the location to anyone, including members of the NSRP. She stated that the convention site is being kept secret because if it became known, the location might be canceled. She further stated that she would not give any information over the telephone as the "Negroes" have her telephone "tapped". PROGRAM OF SPEAKERS BEFORE NSRP NATIONAL CONVENTION  
AND SUMMARY OF CONTENTS OF SPEECHES:

The National Convention of the NSRP commenced at 3:22 P.M., March 19, 1960, being called to order by a [redacted] who led the meeting in a prayer. This was followed by the Pledge of Allegiance to the flag of the United States. Thereafter, [redacted] delivered a speech commenting on the difficulties encountered by the Dayton NSRP group in obtaining a convention site following the cancellation of the Odd Fellows Hall in Dayton. [redacted] stated that the NSRP had received unfavorable publicity in local newspapers, and he accused the various news media of distorting his words regarding the convention and the purposes of the NSRP.

b6  
b7C

The main points of [redacted] speech were regarding the dangers of the Communist Party, social legislation in general, and, in particular, the metropolitan plans of local governments, urban renewal programs, and mental health programs. [redacted] stated that the Communists are working feverishly to eliminate state governments and that the above programs are part of the scheme to establish a Soviet form of government.

b6  
b7C

[redacted] stated that he is aware that we have anything in this country but a constitutional form of government and that "we have departed just as far as we can go before the whole house collapses."

b6  
b7C

[redacted] said that during the administrations of former Presidents WILSON, HARDING, and ROOSEVELT, God intervened at a propitious moment when each president was trying to put into effect measures such as the League of Nations, peace conferences, and socialistic legislation. [redacted] said that "this shows what God will and can do" to prevent such things from happening.

Upon completion of his speech, [ ] introduced a man named ARTHUR COLE, who spoke haltingly and appeared to have a pronounced alcoholic breath. This person read from a prepared speech. The majority of the speech was devoted to his side of a running feud with DREW PEARSON. He associated PEARSON with Jewish interests and was extremely anti-Jewish and anti-Negro.

COLE was followed by Mr. NED DUPES, who referred to President EISENHOWER as "President Littlepower," Senator KEFAUVER as "Senator Cowpasture," and J. EDGAR HOOVER as "JAY EFFIE HOOVER". b6  
b7C

(Source: CI T-6, March 20, 1960)

BURKE was introduced as the "Great Patriot of the South". He spoke with much fervor and roused the convention to a great pitch of enthusiasm. He pictured the South as being pushed too far and that the NSRP philosophy was the supreme salvation of the white race in the South. He said that the Jews, by their exclusiveness in marriage while encouraging mongrelization of the pure Anglo-Saxon race, was encouraging the spread of Communism in the United States. He predicted that immediately after 1961, the South would be forced to resort to "open rebellion" against the white enslaving dictums of the Supreme Court.

(Source: CI T-3, March 28, 1960)

During the course of his speech at the NSRP Convention, EMORY BURKE said that "we need a political movement dedicated to the idea that the white race has a right to survive" and that "Communism under the Jews is the enemy". BURKE used the word "fight" as a key word in his speech, stating that this was the "one word we need". He stated that "the ultimate aim of Communism is to destroy the white race . . . . in defending the white race we defend Christianity".

BURKE predicted that "this year we are going to hear a lot of talk about rebellion in the South . . . . men like FAUBUS will carry the banners." He said that they would fight anyone whose purpose is to mongrelize our race. He commented that "we can win because we represent the great majority of the American people . . . by standing together we are bound to win." He said that the Jews are a small minority, "they come over here, mix with us, they get control of everything. How do they do it? Work together!" He concluded by urging those present to trade with white people; band together as do the "Jews and Niggers" and "we will win".

(Source: CI T-8, March 19, 1960)

After BURKE had finished speaking, the Chairman announced that F. ALLEN MANN would talk, but MANN had left the convention hall for a minute at that time so [ ] called upon J. B. STONER to speak.

b6  
b7C

(Source: CI T-5, March 21, 1960)

[ ] introduced F. ALLEN MANN, "head of the party's efforts in Illinois," from Hinsdale, Illinois, but since MANN was unavailable, [ ] called upon J. B. STONER to speak. As STONER began his speech, he said "Fellow White Christian American Patriots. I just heard this news on the radio as we were driving here . . . It's about a great traitor to the white race . . . two thousand years ago another traitor lived. His name was Judas . . . for betraying Christ he received thirty pieces of silver . . . today the Police Commissioner of Little Rock, the

man who betrayed his white heritage and sold out to the race mixers, shot his wife and child and then blew his own brains out."

(Source: CI T-9, March 22, 1960)

STONER also remarked that he has been trying to stir up the white people for a long time, but that the NAACP in the South is doing a better job. He said that the Jews have started the racial trouble, and now there is nothing they can do to stop it. He mentioned that "if we get together, the politicians will have to run after the white bloc vote" as well as the "Jew and black bloc vote," and that if the "Jews and Niggers" can form a bloc vote, "we can too". He said also that he has "no hatred for Niggers or anybody else, but I believe in self-preservation" and that the "Jews are trying to destroy the white race by pumping Nigger blood in our veins." STONER also stated that "if it wasn't for the Jews, we wouldn't have Communism or integration."

(Source: CI T-8, March 19, 1960)

Following the speech of STONER, [ ] introduced MANN, who indorsed Governor FAUBUS and spoke concerning various pieces of literature relating to the NSRP.

b6  
b7c

(Source: CI T-5, March 21, 1960)

MANN proposed the following resolution after commenting that "the party itself has stated it is opposed to violence:" "Be it resolved that the National States Rights Party is a Christian organization, believing that God is the leader of the Universe and all that is within it and the divinity and virgin birth and resurrection of our Lord Jesus Christ." This resolution was passed by the membership with no dissenting comments.

The Convention ended abruptly at 7:56 P.M.

CRITICISM OF DIRECTOR J. EDGAR HOOVER AND THE FBI:

During the speech of J. B. STONER, the following remarks were made by STONER regarding Director J. EDGAR HOOVER and the FBI:

" Some people have criticized me--I am not so angry with criticism because I don't feel called upon to answer to criticism. This is just to let you know more about the true situation. Some people have criticized me because I have attacked that master of deceit, J. EDGAR HOOVER, and his race mixing FBI. (Applause) Someone said even though he says some things in his book that weren't so, on the whole it's a great book. On the whole the great purpose of this book was to win the confidence of the reader just like any confidence man or con man trying to beat you out of your rights and your money. Win your confidence and then tell you that the ADL, the American Jewish Congress, the American Jewish Committee, and NACP are wonderful American organizations. They make you believe such lies as that. It's a fraud, that whole book, "Masters of Deceit". The editor in Sulphur Springs, Arkansas, in a weekly publication known as the Sulphur Springs Beacon, I think it is. The publication that has been fighting Communism for years and years. They fought Communists for years and years and you never heard one single word from J. EDGAR HOOVER, while the FBI was pouring droves of FBI Agents into Little Rock in 1956 to persecute Governor FAUBUS and all the other white segregationists there; and they even kidnapped high school girls to carry them down for hour long questioning (unintelligible) without consent of their parents or without any lawyers being present. J. EDGAR HOOVER wrote two letters to the editor of the Sulphur Springs Beacon. He praised him for his stand against Communism, and if that wasn't a smoke screen, I don't know what that was. He praised the editor of the Sulphur Springs Beacon in Sulphur Springs, Arkansas, for being against Communism so he could keep that editor from saying that J. EDGAR HOOVER was choking and the FBI were choking. Communist race mixing down the throats of the white people of Little Rock. (Applause) J. EDGAR HOOVER is the biggest fraud ever perpetrated on the American people. He's a criminal (applause), and I'll not only say it here, I'll say it anywhere else. I'll put it in writing and spread it all over the country, and I'll stand by it. He's a criminal; he's a professional trained liar. (Applause) The FBI comes around you and persecutes

you and you can go get your Congressman, and he will then ask J. EDGAR HOOVER about it. J. EDGAR HOOVER every time will deny he's done anything wrong and that any of his agents have done anything wrong regardless of the crimes that they have committed, and I just don't go for such as that. In fact I've seen some official FBI stationery recently, at least it was published by the FBI, in which J. EDGAR HOOVER tells people that they should be against what we believe in, such a thing as (voting?, registering? --- unintelligible) and things like that--going to be in the next Thunderbolt. (Applause) Everyone knows what Jewish led NACP stands for--race mixing. J. EDGAR HOOVER says the NACP is a great organization. So, what more does anybody need to know about J. EDGAR HOOVER except that he's an enemy. I was talking to AMOS GUTHRIDGE (PH), most prominent segregation lawyer in Little Rock, Arkansas, ----- (unintelligible) and even down in Florida? (unintelligible). He told me the FBI was running the Little Rock Police Department, which I already knew, and that there wouldn't even be any integration in Little Rock if it weren't for the FBI. The Jew Communists are using the FBI to force integration on the south. I don't care how nice some FBI agent is. J. EDGAR HOOVER might be the greatest American in history. He might be a saint even before he is dead. Some people want to cannonize him now. (Laughter) Some of them think he is greater than GEORGE WASHINGTON, PATRICK HENRY, and all, but I don't care what they think about it. The facts about it are the facts----he may be wonderful and all. He might be as wonderful as a nice new brand shining revolver, but I don't care; if a man's going to kill me, I'm not going to stand there and say what a nice pretty revolver you have. That's the same way J. EDGAR HOOVER. The Jew Communists are using him against the white race of America just like a criminal gangster using a gun against a man he's holding up, and I'm not going to praise an instrument even if it's wonderful even though I think it's quite rotten. The FBI uses perjury---they suborn perjury---against innocent people like GEORGE BRIGHT in Atlanta. They went to see Mr. EMERY BURKE (PH), who was speaking here a minute ago, in Atlanta. Well, before they went to him, they went to see one of his friends. The FBI Agent named ROBEY (PH) told him that he would see that he got all of the reward in the south (or himself--unintelligible) which totaled well around \$112,000 if he would cooperate with him in sending BURKE to the penitentiary and he also ---- (unintelligible) The man refused to go along with the FBI. The same FBI Agents. ----- (unintelligible) then went to BURKE and told

him they'd see that he got all the reward money if he'd testify against me. Now if that's not subornation of perjury, I don't know what is. Whenever the FBI put that VIRGINIA DAVIS MOORE (PH) on the stand against GEORGE BRIGHT in Atlanta, they're guilty of subornation of perjury, and that's felony. Well, the FBI ain't guilty of just a mere misdemeanor, they're a bunch of felons running around loose. JOHN DILLINGER and his gang were an honorable bunch of gentlemen compared against J. EDGAR HOOVER (Applause). Some people say, well, J. EDGAR just has to take orders from the Attorney General. I say to you if the Attorney General, Jews, and Communists find out the great FBI effectiveness is destroyed, they'll quit using it against us. Everyone of these civil rights bills in Congress violate the rights of the white people not only in the south but all over America, were put in this Congress through the influence of Jew Congress and everyone of them would strengthen the power of the FBI. If the Communists are against the FBI, why do they want to fight the civil rights laws. It would set up in effect a police state in America operated by the FBI. Who's going to strengthen their own enemies, nobody. I don't want to take up too much time on the FBI and I hate to have to waste a single word about them. They're no good, and if it weren't (hesitation and applause) if it wasn't for those gangsters, we would not have any integration in the south. (Applause)"

ACCOMPLISHMENTS OF NSRP CONVENTION:

The NSRP National Convention was wholly disorganized. Following the nominations of FAUBUS and CROMMELIN as candidates, [ ] told the Convention that all present should now go back to their various states and get the nominees on the ballots in those states. Apparently the only thing accomplished at the Convention was the nomination of the candidates. [ ] has intimated that this was actually the only purpose of the Convention.

It appears that the National Convention of the NSRP was a failure, as little material support was obtained. Five hundred were expected to attend; however, only a portion attended.

(Source: CI T-3, March 28, 1960)

The NSRP Convention was almost a total failure. By barring the press and television, [ ] denied the Convention publicity. There was no enthusiasm generated among the delegates present to start the necessary action to place candidates on the ballot in their respective states.

b7C

(Source: CI T-9, March 22, 1960)

As [ ] adjourned the Convention, he stated that the notice of a two-day convention was purposely given so that they could steal away if any difficulty or trouble arose. Some hilarity throughout the audience arose at the thought that the "Niggers" could picket an empty hall now that the convention was over.

INDICATIONS OF MEANS BY WHICH NSRP SEEKS TO OBTAIN OBJECTIVES:

During the National Convention of the NSRP, none of the speakers advocated or urged the membership to commit any violence. The theme of all the talks was white supremacy and keeping the white race white. The speakers urged those present to support Governor FAUBUS for President of the United States.

(Source: CI T-6, March 20, 1960)

There was no proposed violence mentioned by the Convention speakers, and the only business conducted was the nominating of the candidates.

(Source: CI T-7, March 24, 1960)

CI 105-1139

During the speech of EMORY BURKE, he related a story concerning a Confederate general who had been surrounded by Union forces during the Civil War. This general roused his troops to great effort by the use of the word, "fight, fight, fight". BURKE was subsequently overheard to mention that if members of the press had been present at the Convention, they might have misconstrued his words to mean that BURKE was trying to arouse the people to commit violence.

(Source: CI T-6, March 20, 1960)

With the exception of the story related by BURKE, above, there was no mention of violence to attain the ends advocated by any of the speakers at the NSRP Convention.

MISCELLANEOUS:

Following the arrival of [ ] at the Convention site, two reporters from a Dayton newspaper came into the convention hall and were engaged in conversation by [ ]. Apparently [ ] told them he was not going to give them a statement and requested that they leave. As these reporters were leaving they engaged in a conversation with NED DUPES, who stated to them that the press would not be fair in its coverage of the NSRP Convention and that the press would print lies and such about them. The reporters bought some literature which was on sale at the hall and were jostled a bit as they left by some of the people standing about.

## THE WHITE MAN'S VIEWPOINT

### Faubus - Crommelin On Alabama Ballot

The National States Rights Party held its Alabama state convention in Opelika, Alabama on May 3 of 1960 at the Lee County Court House. Under state law eleven electors were nominated and will be certified to the Secretary of State. This is the first state in the Union to formally place a patriotic Whiteman's ticket on the ballot in 1960. No other 3rd party has acted this early. It is now too late for any other party to place elector candidates on the Alabama ballot. This means that the Democratic and Republican parties will be lined up against the States Righters. The National States Rights Party elector candidates are HEDGED to Governor Faubus and Admiral Crommelin. There can be no doubt that Faubus & Crommelin will carry Alabama because the Whitemen there will not take a chance on unpledged electors. We want to KNOW who we are voting for. Plans are being made for Admiral John G. Crommelin to give a coast to coast TV broadcast. The Admiral is a courageous World War II hero of the Pacific campaign.

CROMMELIN

### Jews Organize Negro Sit-ins

White Americans have long been shocked by realization of the fact that the Nation's "free" press has, for years, concealed the fact that the N.A.A.C.P. was founded by the Jewish Spingarn brothers (Joel and Arthur Spingarn). Joel Elias Spingarn was the first President of the NAACP and held office until his death in 1939. His brother, Arthur, then took over as President and is still running it. There has never been a Negro or a Whiteman at the head of the NAACP. Jews are an Asiatic-Semitic strain; they are not Whitemen. NOW, FOR THE FIRST TIME, The Thunderbolt exclusively reveals that ALL of the Negro sit-ins organized by C.O.R.E. (Congress of Racial Equality) are under the direct orders of the JEW Marvin Rich of New York City. See picture at right from Associated Press. There can be no dodging this fact. THE JEWS ARE HEADING THE DRIVE TO DESTROY THE WHITE SOUTH. The Jews segregate themselves behind their ghetto walls and in their private Jewish community centers where neither Whites nor blacks are allowed. Yet, the Jew demands that we Whitemen mongrelize our children with black apes. Our answer to the Jewish race mixers is: "We united Whitemen will crush down into hell your satanic plot to destroy our people."

THURSDAY, APRIL 21, 1960

**STRIKE LEADER**—New York Apr. 21—Marvin Rich is community relations director of CORE (Congress of Racial Equality) which has been credited with direction of the current wave of lunch counter sit-down strikes in the South.—AP.

The Negro sit-ins in White restaurants are hammering home to our White folk what N.S.R.P. has been saying for years: "Give the nigger an inch and he will take a mile." The black man wants EVERYTHING the Whiteman owns. The Negro wants your job, your home, your wife and your daughter. And, the Jews are pushing him forward, telling him to take everything the Whiteman has. The N.S.R.P. rises in opposition to the menace. Are you with us? Join now! We stand for action!

## Hoover - Violent Race Mixer

THE ABOVE ARTICLE IS FROM THE NEGRO "PITTSBURGH COURIER" OF APRIL 30, 1960. Hoover went to Chicago to receive another "award" from a leftist Negro group. At a dinner of the Negro A.M.E. Church at the Congress Hotel, Hoover made his most shocking public attack against the White Race to date. It is interesting to note the names of Hoover's hosts: Joseph Gomez, a mongrel Mexican, Benjamin Adamowski, an outright Jew, and the Negro Joseph Bibb. In the picture you can see Hoover with Rev. Carey, the Negro Chairman of the President's "Committee on Government Employment," a race mixing group which seeks to force business men with government contracts to fire Whites and hire Negroes. With all of J. Edgar Hoover's mixed and mongrel friends, we would like to ask Hoover this question, "J. Edgar, with all your kinky hair, flat nose, bulgy eyes, etc., just what is your Race?"

### WE QUESTION J. EDGAR HOOVER

- 1) J. Edgar, if White groups like the Citizens Councils and States Righters are "hate groups & rabble rousers," then what are the Negro and Jewish groups you continually praise who are staging sit-down riots?
- 2) You say Patriots are spreading "obscenity" through the mails. Why haven't you denounced the criminal Communists for sending the "Daily Worker" and other treasonous papers through the mail? How about the Jew-led NAACP and all of their race mixing obscenity? You say fighting for the White Race in spreading the truth is an "unthinkable, outrageous crime." Just who do you think you are? Are you above the American Bill of Rights? You have been in office for 36 years (36 years of Communist growth in America) and the people are beginning to smell a rat. You can fool some of the people some of the time, but you can't fool all of the people all of the time. People are beginning to awaken to your lying attacks against White Patriots and Segregationist organizations. Hoover, your days in office are numbered. Your odorous name will go down in infamy as the most disgraceful in the history of law enforcement.

CHICAGO—J. Edgar Hoover, director of the FBI, in a speech at the Congress Hotel at a dinner staged by Quinn Chapel AME Church.

Dignitaries at the speaker's table and in the audience included: Rt. Rev. Joseph Gomez, States Attorney Benjamin S. Adamowski, Joseph Bibb, Illinois Director of Public Safety; Harold E. Rainville, and a long host of others.

ENTITLING his speech "Faith or Fear," Mr. Hoover said in part: "In recent months, still another dangerous threat against decency and life has asserted itself with renewed vigor on the American scene. I refer to the hate groups, the rabble rousers and other lawless elements which have dedicated themselves to maligning, intimidating and terrorizing vast segments of our population."

"Prejudice and intolerance, hate and fear, are a disease as infectious as a virus. The general increase in organized prejudice is most disturbing. It includes anti-Protestant, anti-Catholic, anti-Jew and anti-Negro individuals and groups."

"These merchants of hate, slander and insinuations clutter the mails with their obscenity. Some of it falls into the hands of impressionable juveniles, neurotic dupes and moronic adults who then resort to smearing and damaging churches, synagogues, schools and homes."

ALL THE VARIOUS forms of the virus of bigotry exist, either dormant or active, in every community — large or small.

"These elements have hurled a critical challenge at the law enforcement profession and other forces for decency across the nation. The person who would bomb a school, desecrate a house of worship, or spread the doctrine of hate toward his fellow man constitutes a real threat to our American way of life. He lives in a vacuum of moral degeneracy. His crimes are so outrageous it is unthinkable that anyone except the extreme 'lunatic fringe' could rationalize or condone them."

"Invariably, these hate mongers attempt to drape themselves in a cloak of patriotism, but their real objective is to destroy the very American ideals which they claim to uphold. They preach 'mobocracy' — disrespect for law, for our Constitution, and disregard for the welfare of others . . ."

# ABOLISH THE PUBLIC SCHOOLS! NOW!

Page 3.  
BY JOHN KASPER

Push has come to shove! This is it! There's no more beating around the bush. The 'Supreme Snort' is hell-beat on *white-race destruction* through its latest and final insanity of using its powers to strike down efforts and plans of States to maintain a private school system through the use of public State funds. One crime after another, here they come, first striking down separation of the races (the white from the venereal disease—illegitimate—rapist); then they say public school teachers and textbooks can't be used in private schools.

We are glad they are trying to ram home their evil designs! They have unwittingly awakened the American people to the fact that the nigger is only a tool of 'hook-nosed' jews for taking over America and the world... the 'jig' is only one of many master plans of the jew to try to drive the white man to total and final destruction.

Thank God! that good, old-fashioned American horse-sense is now coming to the rescue. We have finally realized that the jew is a *megace* to American Liberty... whether he is the organizer and backer of the Communist Party, the NAACP, the Federal Reserve System, the World Bank, etc., or whether he is just a gaberdine-clad 'kike' with a pushcart out to cheat the eyeballs out of Christians.

The Supreme Court (and "Ike") has done more to awaken the American people to the fact that jews are *cancer* than any other public body in our lifetime.

Now, getting down to business, *THE PUBLIC SCHOOLS CAN'T BE SAVED* by piecemeal legislation of States, no matter how sound and constitutional it appears to be. The Supreme Court consists of illegal gangsters and they care not one jot about law and Constitution. As one more glaring example, there were eleven reversible errors in my first appeal, all violations of constitutional rights, and they wouldn't even hear the case. The same supreme contempt was shown to the State of Virginia when they sought to appeal a particular crime of a particular Federal judge.

"De Co't" will strike down any effort to maintain segregation by using public buildings, teachers, textbooks, or monies.

*The time is NOW to abolish the Public School System altogether, everywhere throughout the United States, and be done with it!*

Why not?

It is first of all cheaper to have private schools. Out goes the gas taxes, sales taxes, license taxes, mileage taxes, and interest-bearing bond issues which are levied for public education. Out goes much of the graft and the corruption of contractors and school boards who grow fat off the taxpayers in the name of 'booblic' education.

Too, friends, private schools are better. The jew has put communist, left-wing textbooks and pinko teachers in the public schools. Every parent and every child can keep a close watch on the 'materials' of education, both books and procedures, and there cannot be any left-wing National Educational Association, or a foul ball like

50 M - 10/58

Lawrence Derthick trying to brainwash American children to accept a *one world, one race, one color, super-state* setup with jew control at the top. Parents will *know exactly* what they are paying for in educating their children and they will *know exactly* what kind of value received they are getting by the *increased intelligence* of their children.

It is none of the Federal government's business to interfere with the educational process and private schools will once and for all put to rest notions of communizing the schools through Federal control, through Federal aid. Period!

You can bet your 'bottom dollar' that "Ike" and Nixon don't send their kids or grandkids to school with niggers, but to private schools. *What's good enough for them is good 'nuff for you 'n me.* If this is a dumbocracy then why can't we have what the 'prez' has — good private schools for all...

*DOWN with public schools* and a vast "system" and back to the solid virtue of *local control of local affairs* and let each private school serve the local community and the children who live there.

The initial cost and outlay is high but far cheaper in the long run. Drum up unused buildings, churches, retired teachers—put your money together, incorporate in your State and community as a local private school, buy your own textbooks and make sure they are free from pink and red communist, one world, internationalist, jew-inspired brotherhoodism.

Above all, see that the Constitution of the United States and sound American history is made compulsory in every private school. The kids have got to know the Constitution backwards and forwards. The Supreme Swine nearly swindled us out of our true heritage of Constitutional government and a country governed by law, not men; they nearly took us to the cleaners simply because the last four generations of Americans have not troubled to find out what the Constitution means as protector of our liberty and they have not told the kids, father to son, why we are the greatest Republic ever conceived by mortal man and how we caught the jew and sorry white politicians only in the nick of time before they slipped our nation away from us in the attempted greatest steal of all time.

*Private schools will make us a great people and an intelligent nation of strength, truth, justice, culture and other abstractions which have to do with civilization!*

Send this to your Governor, State Legislators, Congressmen, and Senators. Present this personally to your local newspaper publisher. Demand now that these public servants act at once in special session to abolish the public schools. *Let private citizens establish private schools.* The niggers can fend for themselves — lets see if the NAACP will start private schools for niggers.

## JOHN KASPER NEEDS WHITE MEN'S HELP!

John Kasper is in the Nashville Workhouse on a phony charge of inciting to riot (when no actual riot occurred) simply because he had the courage to rally the people of Nashville against the evil crime of race-mixing. Kasper has stood his ground for you and me and every other White man in the South. Kasper was the first to rally resistance in the South against race-mixing. He stood for you. Will you now stand up for him? Kasper will be freed from jail on July 15th IF his fine of \$1431.00 is paid. IF IT IS NOT PAID, KASPER WILL HAVE TO WORK IT OUT AT TWO DOLLARS A DAY! That would take ABOUT 2 YEARS ON THE CHAIN GANG. This is the last sentence pending against Kasper. Do you want him back in the fight for White schools this Summer? If so, do something about it. Mail a donation today to John Kasper, P. O. Box 8771, Nashville 11, Tennessee.

Remember, every \$2 you give Kasper gets him out one day earlier. Fourteen dollars frees him one week sooner. Sixty dollars frees him one month sooner. Our goal is \$1431.00 NOW! That will free Kasper on July 15th. Don't let John down. Please give today. Send as much as you can to John Kasper, P. O. Box 8771, Nashville 11, Tennessee. For Christ, Race & Country, DR. EDWARD R. FIELDS P. O. Box 261 Jeffersonville, Indiana

(Note to the Editor: Please publish either this letter, or the one enclosed from Kasper, or both. Let's all support Kasper in this, his hour of need. It would be a disgrace to the White Movement in America if Kasper could not get out of jail because our side could not raise \$1431.00. Our enemies raise millions to defend their people. Let's stand together and help John NOW!)

WHITE CHRISTIAN MANIFESTO - 1960

A White Mass-Meeting, sponsored by The Citizens Council of Ky., Inc., presided over by Millard D. Grubbs, Chairman of its Board of Directors, was held at 8:00 P.M. Wed., Feb. 10, 1960, at Liberty Hall, Louisville, Ky., and the following RESOLUTION was unanimously adopted:

RESOLUTION

WHEREAS, Art. VI of the Constitution of the United States requires all members of the U.S. Congress, members of the legislatures of the several States and all Executive and Judicial officers of both the United States and of the several States, before entering upon the duties of their respective offices, to be BOUND BY OATH TO SUPPORT AND DEFEND THE CONSTITUTION OF THE UNITED STATES against all enemies, foreign and domestic; and,

WHEREAS, many so-called Jews are holding key positions in the governments of the United States and the several States, and in county and municipal governments in the various States of the United States, who are members of a Tribe, which refers to itself as "World Jewry" and is controlled by Jewish Law; and,

WHEREAS, this said Jewish World-Tribe, on one of their ceremonial or memorial days, called Day of Atonement, (YOM KIPPUR), held on or about Sept. 24th of each year, (10 days after ROSH HASHANAH, their New Year's Day), at which time they take the following Vow,

KOL NIDRE VOW

"All vows, obligations, oaths, or anathemas, pledges of all names, which we have vowed, sworn, devoted, or bound ourselves to, FROM THIS DAY OF ATONEMENT to the next day of atonement, (whose arrival we hope for in happiness), WE REPENT AFOREHAND OF THEM ALL. They shall be deemed absolved, forgiven, annulled, VOID AND OF NO EFFECT. They shall not be binding, nor have any power; the vows shall not be reckoned vows; the obligations shall not be obligatory, nor the oaths be considered as oaths."

This KOL NIDRE VOW is a self-evident attempt to commit the most brazen and audacious crimes imaginable. It proposes to repent in advance for the frauds and crimes they contemplate committing during the coming twelve months, and utterly destroys the binding effect and very purpose of the Oath they are required to take to hold public office in the United States, and totally disqualifies them even to vote, or participate in the civil and political life of this Nation;

NOW THEREFORE, BE IT RESOLVED, in this meeting, that the criminal nature and disqualifying effect of this Kol Nidre Vow of the so-called Jews, made and taken by them on YOM KIPPUR, their Day of Atonement, be brought to the attention of the President of the United States, all Cabinet Members, all Governors of States, and all Law Enforcement Officers of each State; and,

BE IT FURTHER RESOLVED, that all Citizens Council Groups, throughout the several States, and all other worthy and patriotic groups be called upon as real Christians and true Americans to immediately call mass meetings, in their respective cities, towns, and communities, to introduce and adopt similar resolutions; and,

BE IT FURTHER RESOLVED, THAT ANY and ALL White Christians who reject and will not join in this work to defend and vindicate the religion of their Lord and Saviour, Jesus Christ from the false and blasphemous attacks now being made upon His Kingdom by the Communist Jewish Atheists and Apostate Judah and its renegade rabbis, be excluded from the society of all true Christians and loyal Americans.

(Introduced by Dr. Edward R. Fields, of Louisville, Ky; seconded by Mr. Walter Mullikin. Motion for adoption having been properly made and seconded; it was submitted to the meeting and was unanimously adopted.)

CERTIFICATE

It is hereby certified that the foregoing RESOLUTION was submitted on the date and the time set out above, and was unanimously adopted by the attending citizens, which we estimate to have been at least seventy-five persons.

# WOLFS SINK TO NEW LOW

THE APRIL ISSUE OF THE WHITE SENTINEL WAS 8 PAGES LONG. They used 5 of the 8 pages in a lying attack against the ONLY political party in America which is offering a slate of candidates on a Whiteman's ticket against the Democratic and Republican race mixing parties. Why do they attack us at this crucial hour, when we are so definitely trying to get on the ballot in every state possible? We will try and analyze that question.

1) Helen and Forrest Wolf had an up and coming publication when it was written and edited by the capable John W. Hamilton, its founder and editor for nine long years. Finally, the Wolfs ousted their friend Hamilton and took over. The only trouble is that the Wolfs do not know how to run a publication and cannot write. For this reason, the "White Sentinel" has gone down, down, down. Note the article at right. It is taken from the "White Sentinel" of issue of July 1958. The Wolfs were all for us then - that was before we started our own publication, The Thunderbolt. Poor jealous Wolfs. The "White Sentinel" has continually gone down, under Wolf control, for lack of any intelligent, constructive leadership; while The Thunderbolt is the fastest growing Conservative paper in America.

2) The "White Sentinel" goes into a long drawn-out story on James H. Madole and the National Renaissance Party of New York. They try to tie us in with the Renaissance party because The Thunderbolt boosted a leaflet by the Renaissance party showing the difference between the Races. What is wrong with that; Forest Wolf? The Thunderbolt tries to boost a fellow patriot every month. Once, we even boosted the "White Sentinel." Forest, do you ever try to help a fellow patriot or do you only wish to sabotage publications which are successful in contrast to the financial failure of the so-called "White Sentinel." 2) You condemn us for having had John W. Hamilton as a member for one year (Hamilton is now a member of the Lincoln Rockwell Party). If there is anything bad about that, you are 9 times more guilty because you worked under Hamilton for nine long years. You state Hamilton was connected "briefly" with the "White Sentinel". What a whale of a lie. Forest, you are lying. Is nine years brief? Forest, you say that many of your "friends" have been "threatened and intimidated in an obvious attempt to destroy the White Sentinel," by the N.S.R.P. You are a liar again, Forest Wolf. WE CHALLENGE YOU TO PRODUCE ONE SINGLE PERSON WE HAVE "THREATENED AND INTIMIDATED." You say we are a "little" outfit. If being the largest 3rd party in America is to be called, "little", what is the membership of your so-called N.C.P.A. organization, with half a dozen members, to be called?

Forest Wolf, you have been screaming about suing us for months. We are still waiting so that we can fill a cross action against you when you get up here. But, it looks like we will have to go to all of the expense of traveling to South Florida to sue you because you know you don't have a leg to stand on. I guess the "White Sentinel" will again smear the National States Rights Party in its next issue. The only trouble is that we will have to wait so long to see what the Wolfs have to say because the "White Sentinel" is not due out again for six months. That is, if they are able to scrape enough money together from Forest's pay checks as a die maker - for, surely, no one is subscribing or donating to such a scandal sheet.

In the previous issue of the "White Sentinel" (which came out about 5 months ago), and for the first time in the "White Sentinel's" history, Forest listed his wife Helen as "Founder" of the "White Sentinel." Why did you drop that lie out of your current edition, Forest? Is it because many of your readers reminded you that the able John W. Hamilton, a professional writer, founded the "White Sentinel?" Come off of it Forest, stop hiding behind Helen's skirts. This smear against us is the death rattle of your publishing efforts. We will still be going strong long after you have folded up and been forgotten about.

THE ARTICLE BELOW APPEARED IN THE JULY 1958 ISSUE OF THE "WHITE SENTINEL." OBSERVE HOW JEALOUSY MADE THEM CHANGE & BECOME VICIOUS.

## MERGER OF THREE RIGHT-WING GROUPS ANNOUNCED

States' Rights and Constitution party groups in states announced their merger with the United White Party in Knoxville earlier this month. The new organization will be known as the National States' Rights Party.

Delegates from Southern and Midwestern states, as well as several from the East and Far West, met in closed caucus to hammer out a platform and adopt tentative by-laws.

The merger came as the upshot of long-standing dissatisfaction among rank-and-file "conservative" party members, because their organization refused to take a strong stand on racial issues.

The aims and objectives of the National States' Rights Party are the same as those of the old United White Party. It stands for unqualified White supremacy and separation of the races in every phase of American national life.

National headquarters of the new organization are in Jeffersonville, Indiana. The Party also has district headquarters in Atlanta, Knoxville and Louisville. Plans are now underway to open up several new offices in the near future.

Party officers include Arthur B. Cole (La-Follette, Tenn.), Chairman; Mrs. Peter Cowan (Jeffersonville), Vice-Chairman; Ned Dupes (Knoxville), Secretary-Treasurer; and Matt Koehl (Milwaukee), Organizer.

The National States' Rights Party will hold its first national convention at Jeffersonville Indiana on August 26 - 27th.

(For information write: Corresponding Secy., National States' Rights Party, P. O. Box 2161, Knoxville 1, Tennessee).

The Pittsburgh Courier reports: " 'Pure White' Party Formed. Delegates from 26 states were present in Knoxville for the merger of various States Rights Parties with the United White Party. The new organization working on a 'Save the White' platform will be known as the National States' Rights Party. Senators who had representatives at the meeting included William E. Jenner (Republican-Indiana); John C. Stennis (Democrat-Miss); Strom Thurmond (Democrat-S. C.); and Herman E. Talmadge (Democrat-Ga.). The Party will convene in August at Jeffersonville, Indiana."

THE ARTICLE BELOW WAS PUBLISHED WITH THE LAST ISSUE OF "WHITE SENTINEL"

WEDEMAYER PROPOSES J. EDGAR HOOVER FOR PRESIDENT...Retired U. S. Army General, Albert Wedemeyer, has urged that the head of the FBI, J. Edgar Hoover, run for President. He proposed that Senator Harry Byrd, (Dem. Va.) leading spokesman for the segregationists, be Hoover's running mate. This kind of ticket is needed, Wedemeyer said, because the country's major problems stem from Communism at home and abroad.

WE ASK OUR READERS: DO YOU STAND WITH THE N.S.R.P. FAUBUS CROMMELIN TICKET? OR DO YOU LIKE THE "WHITE SENTINEL", IDIOTIC TICKET OF J. EDGAR HOOVER FOR PRESIDENT?

He stated he is of the belief that the Institute of Biopolitics is a "paper" organization consisting wholly of [redacted] MULLINS, and is, in fact, only a front for the National States Rights Party. He stated that to his knowledge, [redacted] is in very frequent contact with EDWARD FIELDS and JESSE B. STONER in Louisville, Kentucky, and speaks of them as "we" in regard to planned organizational activities, indicating to the source that these activities concern the National States Rights Party. No information has been developed from any other source indicating the existence of any membership, as such, in the Institute for Biopolitics, and [redacted] is convinced that when the above individuals have spoken of the national membership, a Women's Auxiliary, a Smith and Wesson Committee, etc., they have, in fact, been referring to the National States Rights Party rather than the Institute for Biopolitics.

In view of the above information, no further investigation will be conducted concerning the Institute for Biopolitics as a separate organization. Instead, activities of that organization and persons affiliated with it will be reported in the National States Rights Party file.

On June 28, 1960, Mr. CONNOR said that on June 23, 1960, he had sent a letter to [ ] directed to the NATIONAL STATES RIGHTS PARTY, Post Office Box 261, Jeffersonville, Indiana. In this letter he said he told him that, in substance, [ ] and the NATIONAL STATES RIGHTS PARTY were not welcome in Birmingham. He said that the letter pointed out that it was the policy of the Birmingham Police Department not to tolerate violence and he wanted [ ] and his organization to know this in order that they might be guided accordingly. Mr. CONNOR further said that the next day he received a letter from [ ] which was left in his outer office while no one was there. In this letter [ ] said the following:

" NATIONAL STATES RIGHTS PARTY  
Post Office Box 261  
Jeffersonville, Indiana

July 24, 1960

" Honorable Eugene Connor  
Commissioner of Public Safety  
316 City Hall Bldg.  
Birmingham 3, Ala.

" Dear Mr. Connor:

" Thank you for your personal letter of June 23rd. It seems that you have been grossly mis-informed as to the purpose of the NATIONAL STATES RIGHTS PARTY in Birmingham. I feel that you have been approached by a race-mixing organization known as the Anti-Defamation League of B'nai Brith.

" The following is the true nature of our coming activity in Birmingham:

" 1) We plan NO parades or sidewalk speakings and have never held such demonstrations in the history of this organization. We are not a Klan or Ace Carter type group, but a legal political Party.

" 2) We very strongly oppose violence in any form & have never had any type of violence connected with our work.

BH 105-477

- " 3) I myself am a Roman Catholic & feel most members of my church in the South are for Segregation.
- " 4) We are not 'outsiders' moving into Birmingham, my home is in Atlanta, (I lived there most all my life) and the other leader who will be working here is from Montgomery where he was born and raised.
- " 5) We will open an office here for the purpose of:  
a) Publishing our Newspaper, 'The Thunderbolt.'  
b) A campaign office for our pledged slate of electors which will be on the November ballot.
- " We have absolutely no connection of any kind with the so-called un-pledged States Rights electors. We feel that our electors should be pledged to a definite Segregationist candidate. We feel that the voters should decide this question without side issues being thrown in.
- " Furthermore, we want you to know that this organization will cooperate fully with your office. We support your well known stand for Segregation 100%.
- " Perhaps we may not be of benefit to your office at this time, but in the future you will be able to count on our active support to back you up against your political enemies.
- " The very same people who are out to get you Mr. Connor, are those who are out to stop the National States Rights Party.
- " Please feel free to call upon me at any time and for any reason. I feel that we can and will exist together here in Birmingham in full cooperation, and a smooth relationship will develop.

Very Sincerely Yours

Mr. CONNOR continued that he had, as set forth in Birmingham airtel dated June 18, 1960, been in contact with Governor ORVAL FAUBUS of Arkansas recently and had given FAUBUS a chance to denounce the NATIONAL STATES RIGHTS PARTY and its use of FAUBUS as a candidate. Mr. CONNOR said that he had received on June 27, 1960, a copy of a letter which Governor FAUBUS had written to [ ] in which he repudiated the NATIONAL STATES RIGHTS PARTY, said that he, FAUBUS, was desirous of re-election for Governor on the Democratic Ticket and was going to remain loyal to the Democratic Party. He, therefore, said he wanted the NATIONAL STATES RIGHTS PARTY to discontinue publicizing his name as a possible candidate on their ticket.

b6  
b7C

Mr. CONNOR said that on the basis of this, he plans to wait until the NATIONAL STATES RIGHTS PARTY gets set up in Birmingham, then he will publish a complete expose of them, together with the text of FAUBUS' letter. He said he hoped thereby to warn possible contributors and supporters of the Party of the nature of the organization. CONNOR said that he is not in any way in sympathy with the NATIONAL STATES RIGHTS PARTY, its methods, aims, or officers, and intended to do everything within his power to see to it that it enjoyed no success whatsoever.

Mr. CONNOR was of the opinion that the trips made by [ ] to Montgomery and to Atlanta were probably occasioned by the reaction to the FAUBUS letter. He said that he felt now that FAUBUS has turned his back on the Party, this would necessarily cause them to change their plans and probably disrupt them considerably.

"Attention:

"Gentlemen:

"It has been brought to my attention, as Commissioner of Public Safety of the City of Birmingham, that the National States Rights Party contemplates removing its headquarters from Jeffersonville, Indiana to Birmingham and that you contemplate opening what you will style a Campaign Office here.

"It is further my information that you plan to hold parades, sidewalk speaking and other forms of public demonstration in this city.

"In view of this information, and assuming that it is true, I feel it is my duty to say to you that, as of today, relations between white and black, between Christians and Jews, and between Protestants and Catholics in Birmingham are, in my opinion and in the opinion of others, notably friendly, cooperative and, above all, peaceful. It is my purpose as a peace officer to do everything within my power to see that these relations remain so.

"In view of the unfortunate experiences of some of our sister cities with violence and turmoil in some of these areas, I wish to call to your attention the policy of this department not to tolerate violence or the incitement to violence or the deliberate arousing of antagonisms based on differences in status, race, religious belief or economic condition. We think you should know also that we have denied permits for parades, etc. to certain organizations which it has been our information have engaged in this sort of activity. If it your purpose so to do, we wish you to know in advance of coming to Birmingham the policy of this department.

"Yours very truly,

"Eugene 'Bull' Connor,

Mr. CONNOR also made available a copy of the letter sent by Governor FAUBUS to [REDACTED] which is mentioned in the same airtel of 6-29-60. This letter reads as follows:

"STATE OF ARKANSAS

"Dear [REDACTED]

"This acknowledges receipt of your letter of June 13th in which you relayed that you were leaving for Birmingham, Alabama, to open a Faubus for President campaign headquarters.

"As already indicated to you by correspondence, as well as statements in the press, I have given no authorization to any one to nominate me for any national office on any ticket.

"I am, at present, a candidate for re-nomination for the office of Governor of Arkansas. Also, I am a delegate from Arkansas to the National Democratic Convention at Los Angeles.

"I hope to win the democratic nomination for Governor of my state, and I expect to attend the National Democratic Convention in California. I also expect to support the nominee of that convention for President of the United States.

"Under these circumstances and conditions, it is, therefore, quite evident that I cannot properly be a

candidate for any national office on the ticket of any other national party, and that, of course, includes the National States' Rights Party.

"Under these conditions, I must, therefore, ask that my name be withdrawn as candidate for President on the National States' Rights Party ticket, and request that no campaign office in my behalf be opened by anyone anywhere.

"I am in accord with citizens everywhere, and the members of any political party, in their faith in the democratic principles as set up in our republic, and I am in accord with their desires to maintain constitutional government in America. It is my belief that I can best work to preserve these great rights and principles within the framework of my own party.

Mr. CONNOR said that based on the repudiation of the National States Rights Party by Governor FAUBUS, if the National States Rights Party and [ ] attempt to solicit contributions for a ticket including Governor FAUBUS, he intends to do whatever he can to charge [ ] or any of his helpers with obtaining money under false pretenses. He said further that if he learns that [ ] and his associates continued to publicize Governor FAUBUS as the Presidential candidate of the National States Rights Party, he intends to expose him by a newspaper release in which the letter of Governor FAUBUS will be quoted. Commissioner CONNOR further said that as opportunities arise in the future, he will do everything he possibly can think of in order to make [ ] as uncomfortable as he possibly can and let him know without question that he and others of his type are not welcome in Birmingham.

Further developments in this matter will be given to the Bureau.
